Tetra Pond
AlgaeControl™
Controls Green Water and String Algae

ACTIVE INGREDIENT:
Poly (Dodecylamine) (dimethyliminio) Ethylene (dimethyliminio) Ethylene Dichloride) .................................................. 54.9%
OTHER INGREDIENTS .................................................................. 94.4%
TOTAL .............................................................................. 100.0%
EPA Reg. No. 81294-1
EPA Est. No. 81297-DLU-01

For Use With Ornamental Plants and Fish

KEEP OUT OF REACH OF CHILDREN
CAUTION
See back panel for precautionary and first aid statements.

8.45 FL OZ (250ml)
Treats 3,000 Gallons (11,350 Liters)
**Tetra Pond AlgaeControl**

**Benefits**
- **Tetra Pond AlgaeControl**: Effectively controls algae blooms (green water), string and hair algae (Spirulina and filamentous algae). Can be used in ornamental ponds with plants and ornamental fish where used as directed.

**Directions for Use**
- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
- Focus only in household ornamental ponds with synthetic liners. Do not use in ponds with live fish or invertebrates e.g. crabs, shrimp, or crayfish.
- DISCHARGE STRINGALgae-control with high-pressure nozzles and sweep out with a fine mesh net or pond vacuum. CALCULATE POND VOLUME using the following formula:
  - Length (ft) x Width (ft) x Average Depth (ft) = Cubic Feet. Cubic Feet x 7.5 = Pond Gallons.

**APPLY DOSEAGE IN THE MORNING.**

**DOSEAGE**
- 10 ml for every 100 gallons of pond water
- 1/4 cup (60 ml) for every 200 gallons of pond water

Delicate use of measuring cup to individual application or by DELIVERY the proper dosage is 1/4 cup for pond water. POUR desired amount into pond water along the edge. DO NOT OVERDOSE. Repeat if necessary after three days. Remove leaf debris from pond and/or pond water change. Do not use in ponds established for less than three months.

**WARNING**: Before adding **Tetra Pond AlgaeControl**, be sure to provide adequate oxygenation to a bottom-fed, bottom or aerating pumps. Keep pumps and the讚* devices running 24 hours a day when using this product, especially in the warmer months.

---

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

**ENVIRONMENTAL HAZARDS**

Do not allow products to enter or run off into storm drains, drainage ditches, gutters or surface waters.

**FIRST AID**

**IF IN EYES**

Flush eyes open and keep open and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes. Then continue rinsing. Call a poison control center or see a doctor for treatment advice.

**IF SWALLOWED**

Do not induce vomiting. Drink plenty of water. Call a poison control center or see a doctor for treatment advice.

**IF INHALED**

Remove to fresh air. Call a poison control center or see a doctor for treatment advice.

**storage and DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Store bottle out of reach of children. Non-refillable container. Do not reuse or refill this container. Wash and put in trash or offer for recycling if available.

**NOTICE**

This product contains

- **3,5-dichloro-2-hydroxybenzyl alcohol**
- **Triazinone**
- **Sodium hexametaphosphate**

16.9 FL OZ (500ml)
Treats 6,000 Gallons (22,700 Liters)
**Benefits**

- Tetra® Pond AlgaeControl® effectively controls algae blooms (green water), string and hair algae (Spirogyra) and blanket weed (Cyanogloea).
- Can be used in freshwater and ornamental ponds with plants and ornamental fish when used as directed.

**Directions for Use**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For use only in freshwater and ornamental ponds with synthetic liners. Do not use in ponds with invertebrates or crustaceans e.g., crabs, shrimp, or crayfish.

Dilute STRING ALGAE off stores with high pressure washer and spray out with a fine mesh net or pond vacuum.

**CALCULATE POND GALLONS using following formula:**

Length (ft.) x Width (ft.) x Average Depth (ft.) = Cubic Feet

1 Cubic Feet x 7.5 = Pond Gallons

**APPLY DOSAGE IN THE MORNING:**

- 10 ml for every 120 gallons of pond water
- 1/4 cup (60 ml) for every 720 gallons of pond water

**CAUTION:** Dilute the proper dosage in a bucket of pond water. Pour diluted mixture into the pond evenly along the edge. Do not overdose. Repeat if needed every three days up to three total doses. REMOVE STRING ALGAE from pond and do a partial water change. Do not use in ponds established for less than three months.

**WARM WEATHER CAUTION:** Before using Tetra® Pond AlgaeControl®, be sure to provide adequate aeration from a fountain, waterfall, or air pump. Keep pump(s) and aeration devices running 24 hours a day when using this product, especially in the warmer months.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

**ENVIRONMENTAL HAZARDS**

Do not allow pesticide to enter into or run off into storm drains, drainage ditches, gutters or surface waters.

**FIRST AID**

**IF IN EYES:**

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or a doctor for treatment advice.

Have the product container or label with you when calling a poison control center or a doctor. For information concerning the product, call 1-888-850-2749.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal. Store bottle out of reach of children. Nonrefillable container. Do not reuse or refill this container. Wrap and put in trash or offer for recycling if available.

**NOTICE:** This product contains chemicals known to the state of California to cause cancer.
