Benefits:
- Effectively controls algae blooms (green water), string and hair algae (Spirogyra) and blanket weed (Dechlorophytes).
- Can be used in fountains and ornamental ponds with plants and ornamental fish when used as directed.

Directions for Use:

For ornamental ponds or fountains only.

DO NOT SPRAY ALGAE OFF STONES with high pressure nozzle and scrape out with a fine mesh net or pond vacuum.

CALCULATE POND GALLONS using following formula:

Length (ft.) x Width (ft.) x Average Depth (ft.) = Cubic Feet, Cubic Feet x 7.5 = Pond Gallons.

DOSEAGE:

- 1 tablespoon (15 ml) for each 50 gallons (189 L) of pond water.
- 1/4 cup (60 ml) for each 200 gallons (757 L) of pond water.

Do not use in applications where the use of cleaners is necessary. This product should not be used in combination with any other chemical that is not approved for use in ponds.

Remember: Do not use in ponds established for less than three months.

WARM WEATHER CAUTION:
Before adding Tetra Pond AlgaeControl, be sure to provide adequate aeration to the pond, waterfall or air pump. Keep pumps and aerators devices running 24 hours a day when using this product, especially in the warmer months. (Do not use in ponds with invertebrates or crustaceans, e.g., snails, shrimp, or crayfish.)

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Do not swallow. Avoid contact with skin or clothing. Wash thoroughly with soap and water. If swallowing occurs, induce vomiting or immediately seek medical attention.

EQUIPMENT HAZARD:

To prevent this environment, do not allow products to enter or run off into storm drains, drainage ditches, gutters or surface waters.

FIRST AID:

If in eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes.

If on skin:

Take off contaminated clothing. Wash skin immediately with plenty of soap and water for 15-20 minutes.

If swallowed:

Call poison control center or doctor immediately for instructions. Have person drink a glass of water if able to swallow. Do not induce vomiting unless told to do by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

STORAGE AND DISPOSAL:

Drain container before disposal. Do not re-use or refill the container. Wrap and put in trash or offer for recycling if available.

KEEP OUT OF REACH OF CHILDREN

CAUTION:

These products contain a chemical known to the State of California to cause cancer.
