8.45 FL OZ (250ml)
Treats 3,000 Gallons (11,350 Liters)
**Benefits**

- *Tetra® Pond AlgaeControl™* effectively combats algae blooms (green water), string and hair algae (*Spirogyra*) and blanket weed (*Oedogonium*).
- Can be used in fountains and ornamental ponds with plants and ornamental fish when used as directed.

**Directions for Use**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For ornamental ponds or fountains only. Do not use in ponds with invertebrates or crustaceans e.g. crabs, shrimp, or crayfish.

DISLODGE STRING ALGAE off stones with high pressure nozzle and scoop out with a fine mesh net or pond vacuum. CALCULATE POND GALLONS using following formula:

\[
\text{Length (ft.)} \times \text{Width (ft.)} \times \text{Average Depth (ft.)} = \text{Cubic Feet.} \quad \text{Cubic Feet} \times 7.5 = \text{Pond Gallons.}
\]

**APPLY DOSAGE IN THE MORNING.**

**DOSAGE:**
- 10 ml for every 120 gallons of pond water
- 1/4 cup (60 ml) for every 720 gallons of pond water

Dedicate use of measuring cup to algaecide applications only. DILUTE the proper dosage in a bucket of pond water. POUR diluted mixture into the pond evenly along the edges. DO NOT OVERDOSE. Repeat if needed every three days up to three total doses. REMOVE DEAD ALGAE from pond and do a partial water change. Do not use in ponds established for less than three months.

WARM WEATHER CAUTION: Before adding *Tetra® Pond AlgaeControl™*, be sure to provide adequate aeration from a fountain, waterfall or air pump. Keep pump(s) and aeration devices running 24 hours a day when using this product, especially in the warmer months.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

**ENVIRONMENTAL HAZARDS**

Do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters.

**FIRST AID**

**IF IN EYES:**

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or a doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment advice. For information concerning the product, call 1-866-823-2749.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal. Store bottle out of reach of children. Nonrefillable container. Do not reuse or refill this container. Wrap and put in trash or offer for recycling if available.

NOTICE: This product contains chemicals known to the state of California to cause cancer.
