Use ready-to-use SLEEP TIGHT in apartments, child care facilities,
commercial buildings, nursing homes, dormitories, hospitals, hotels
and motels.

We’ve all heard the saying, “Sleep tight and don’t let the bed
bugs bite.” When bed bugs become a problem for you, simply put
SLEEP TIGHT to use.

United 239 SLEEP TIGHT Bed Bug Spray is derived from
botanicals that work to control and eliminate bed bug infestations.
SLEEP TIGHT is Earth Smart® certified, meaning it is safer in use
and safer for the environment. Having a formulation comprised of
renewable resources adds even further benefit for the environment.

SLEEP TIGHT:
• Kills eggs, larvae, nymphs and adult bed bugs on contact.
• A naturally derived pesticide.
• Non-Toxic.
• Uses no harmful chemicals.
• Biodegradable.
• Water-based formulation won’t stain most fabrics and
upholstery.

DIRECTIONS FOR USE:
Spray SLEEP TIGHT on mattresses, box springs, head boards,
carpet, cracks and crevices, molding and floor boards. Wash bed
linens regularly and regularly to mattresses and box springs weekly.
Spray non-bedding surfaces every 2 weeks.

Water-based formulation won’t stain most fabrics and upholstery.
When using on delicate fabrics, first test on inconspicuous location
for staining. Do not over-saturate surfaces.

Active Ingredients:
Geraniol 1%, Citric Acid 0.01%

Inert Ingredients (98.9%):
Polyglyceryl oleate, Glyceryl dicaprylate, Water
