**STORAGE AND DISPOSAL**

- Do not contaminate water, food, or feed by storage and disposal.
- Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.
- Store in an inaccessible place after recycling of container. If partly filled: Call your local solid waste agency for disposal instructions.

**DIRECTIONS FOR USE**

- It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
- Enforcer Flea Fogger contains a combination of ingredients that kills both adult and hatching fleas. NYLAR® the insect growth regulator in this fogger, continues to kill hatching fleas and eggs for 7 months by preventing their development into adults. The fogger reaches fleas and other listed insects hidden in carpets, rugs, drapes, upholstery, pet bedding, floor cracks and open cabinets. Occasionally adult fleas may be present in treated areas where reintroduction from infested animals.
- To protect your pet against and to minimize reintroduction of adult fleas from outdoor, use EPA registered flea and tick products, Enforcer® Flea and Tick Shampoos and Sprays. In conjunction with this application and pet re-entry. As part of a complete flea control program see EPA registered Enforcer® Flea Sprays for Homes, Enforcer® Flea Sprays for Carpets and Furniture and Enforcer® Flea Spray for Yards Concentrate.
