AQUACAR™ DB 5 WATER TREATMENT MICROBIOCIDE

Controls bacteria, fungi, and yeasts in paper mills and enhanced oil recovery systems; controls bacteria, fungi, and algae in industrial recirculating water cooling towers; controls slime-forming bacteria and fungi in air-washer systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the labeling.

NOTE: ADD AQUACAR DB 5 WATER TREATMENT MICROBIOCIDE SEPARATELY TO WATER SYSTEMS TO WHICH OTHER ADDITIVES IN FORMULATIONS.

FOR INDUSTRIAL USE

Active ingredient(s):
2,4-Dichloro-3,5-bis(p-iodophenyl)benzoic acid
Inert ingredient(s):
Total

FIRST AID:

IN EYES

- Hold eye open and flush with water for at least 15 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue flushing eye.
- Call poison control center or doctor for treatment advice.

IN SKIN OR CLOTHING

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for at least 15 minutes.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED

- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF INHALED

- Move person to fresh air.
- If person is not breathing, call an emergency responder or an ambulance, then give artificial respiration, preferably mouth-to-mouth.
- Call a poison control center or doctor for further treatment advice.

Have product container or label with you when calling a poison center control center or doctor or going for treatment.

HOT LINE NUMBER

IN CASE OF EMERGENCY:

Contact your state or local poison control center, household hazardous waste center, or your Environmental Protection Agency.

NOTE TO PHYSICIAN

If surgery is performed, suggest anticholinesterase and/or cephalosporin control. Dangers from lactic acid must be considered seriously after considering use of this product.

ENVIRONMENTAL HAZARS

This product is toxic to fish and aquatic invertebrates. Apply this product only as prescribed. Do not contaminate water or aquatic habitat by cleaning or disposing of product packaging materials in water.

STORAGE AND DISPOSAL

Do not reuse containers. Store under cover in a dry, cool, well-ventilated area. Dispose of excess containers in an approved facility.
