FOR SPAS AND HOT TUBS

Net Wt.: 1.5 oz./43 g

EPA Reg. No.: 53735-12

EPA Est. No.: 57787-MI-3

E071216553111743R5A

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For Residential Use: To a freshly filled spa or hot tub add one packet for up to 500 gallons of water. After the product has bubbled for a few seconds turn on the high speed jets for one minute or until fully dissolved. Maintain a pH of between 7.2 and 7.8. Test water with a FROG or @ease Test Strip to see if proper level of chlorine and pH has been reached. Reenter is prohibited above levels of 3 ppm chlorine due to risk of bodily injury.

PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS AND DOMESTIC ANIMALS: DANGER: Corrosive: Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. May be fatal if inhaled. Do not breathe dust or vapors. Avoid contact with skin and eyes. Wash skin with soap and water and clothing with soap and hot water. If on skin or clothing, remove contaminated clothing and wash skin immediately with soap and water for 15-20 minutes. If on skin, remove contaminated clothing. If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes. Call a poison control center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

FAST AND EASY HOT TUB START-UP

• Removes organic contaminants and establishes a chlorine level
• Optimizes performance of FROG® hot tub sanitizing systems

Product Description: This product perfectly accompanies the SPA FROG® and @ease® Floating or Inline Systems by starting up a freshly filled hot tub with an initial chlorine level. The effervescent action helps the chlorine dissolve faster and the fizz tells you it’s working! For best results use FROG Jump Start® after balancing the water and before using your FROG® System.

KEEP OUT OF REACH OF CHILDREN

DANGER
See First Aid and Additional Precautionary Statements on Back Panel

ENVIRONMENTAL HAZARD:
This pesticide is toxic to fish and aquatic organisms.
