No Pyrethrins, No Pyrethroids, and No d-Limonene

Playground, soccer field, catwalk, backyard BBQ

Safe for pets and wildlife - No disappointment with family and friends

It's fun in the great outdoors - but it can be more fun without the problems created by pesky biting insects!

Time-Release Insect Control lasts all week.

YARD NET is the easy-friendly outdoor insect repellent that really works - Guaranteed!
Best of all, you can be sure it's safe for unacquainted kids and pets - and it won't harm your vegetation. Made with botanical oils, it has a fresh citrusy smell your family will love.

YARD NET Granular materially reduces the presence of biting insects such as mosquitoes, flies, ticks and black flies (gnats).

INSTRUCTIONS FOR USE:

Remove cap and inner seal. Replace cap and tighten.

Lawn & Yard Insect Repellent

Eco-safe and guaranteed to repel biting insects such as mosquitoes, black flies (gnats), fleas and ticks!

Net Contents: 5 lbs. (2.26 kg) - Covers up to Approximately 2,000 Square Feet
