COPPER NAPHTHCENATE CONCENTRATE

- Kills subterranean termites, drywood termites, wood destroying beetles, powderpost beetles, carpenter ants and decay fungi.
- Contains No Synthetic Carbonyllic Acids
- Produced from 100% recycled Copper Metal and by-products from the refining industry
- Non-Emulsion Forming
- Non-Sludging
- Non-Corrosive to Utility Hardware (Railroad Spikes and Tie Plates)
- Non-Conductive
- Can Help Prevent "Spike Kill" when Combined with Borate Treatments
- Reduces Hardening of the Wood Which Allows for Increased Gaff Penetration
- Provides Water Repellency

Active Ingredient:
Copper Naphthenate (CAS No. 1338-02-9) 68%* Other Ingredients: 32%**

Contains Petroleum Distillates
Equivalent to 8% Copper.

Keep Out of Reach of Children
WARNING
See Label for additional Precautionary Statements

Net Contents: 5.0 gallons
Net Weight: 8.6 Pounds/Gallon (3.9 Kilos)
Lot Number:

Precautionary Statements

Personal Protective Equipment (PPE):
- Applicators, mixers and other handlers must wear chemical resistant gloves, protective eyewear, long-sleeved shirt, long pants, socks and shoes when handling or applying this product.
- When applying this product to non-pressure treated wood, blast/spray or spray treatments must be performed at an individual that applies the product with a bushbrush must wear an organic vapor respirator.
- All equipment used to treat wood will include a bushbrush, which must be a bushbrush that is filled with a chemical-resistant material.
- Users must: Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet; Remove clothing immediately if pesticide gets inside, then wash thoroughly and put on clean clothing; Remove PPE immediately after handling this product; Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Storage and Disposal:
- Do not contain water, food or feed by storage or disposal.
- Pesticide Storage: Store in a cool, dry, well-ventilated area in a preferably locked storage area inaccessible to children and pets. Do not freeze: Pesticide Disposal: Wastes resulting from the use of this product may be disposed of in the same manner as any other waste subject to the conditions contained in any applicable Federal, State, or Local Ordinance. Container Handling: Reutilizable container, refill this container after use with any other product.
- Do not reuse this container for any other purpose.
- Cleaning the container before refilling is the responsibility of the consumer. Cleaning before final disposal is the responsibility of the consumer disposing of this container. To clean the container before final disposal, empty the remaining contents from this container into application equipment or mix tank. Fill the container about 10% full with water, then vigorously agitate or recirculate with the pump for two minutes. Pour out pump rinse into application equipment or immerse collection system. Repeat this cleaning procedure two more times. The container is then available, airtight, corrosion-resistant, airtight and free of residue.

Warranty Disclaimer
- Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.
- Inherent Risks of Use:
The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Use of a protective respirator and other safety equipment is recommended. The user should consult the manufacture, their safety data sheet, and appropriate government agencies before using this product. To the extent not prohibited by applicable law the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent prohibited by applicable law, Manufacturer shall be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing and, in NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OR INJURIES, INCLUDING WITHOUT LIMITATION, HEALTH RELATED DAMAGES OR INJURIES.

Environmental Hazards:
This product is toxic to aquatic invertebrates, shrimp and oysters/lams. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharger effluent containing this product to sewersystems without previously notifying the local sewage treatment plant authority. For guidance on how to contact your state water board or regional office of the EPA. Wood treated with this product shall not be used in the construction of buildings.

First Aid:
- If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- If on Skin or Clothing: Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes.
- If Inhales: Move person to fresh air.

If Inhaled:
- Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible, or give ventilating rescue breaths.
- If Ingested:
- Do not induce vomiting unless told to do so by a poison control center or doctor.

Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Precautions for Use:
- Using with Other Products: Unless otherwise specified by the manufacturer, do not mix this product with any other product containing any of the following ingredients: Borates, Benzoyl peroxide, Cresols, Selenium, or triclosan.
- Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage.

User Safety Requirements:
- Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside, then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer’s election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent prohibited by applicable law, Manufacturer shall be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing and, in NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OR INJURIES, INCLUDING WITHOUT LIMITATION, HEALTH RELATED DAMAGES OR INJURIES.

The terms of this Warranty Disclaimer and Limitation of Remedies cannot be varied by any oral or written agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this Warranty Disclaimer or Limitation of Remedies in any manner.

It is intended that this product be used in a manner consistent with its labeling, and that it be used only for those purposes for which it is intended.

This product will tint the wood. The color will fade over time. The wood can be stained or painted after 24 hours, or product re-applied at any time. The treated wood can be top-coated with paint or stain. Always test the paint or stain in an inconspicuous area for color satisfaction.
