Use this product as a convenient way to clean and disinfect your household surfaces. Each pre-moistened disposable wipe has a scrubbing side for tough jobs like soap scum and grease and a softer side for wiping away everyday messes. Great for use in your kitchen, bathroom, and all over the house. Effective disinfecting has never been easier.

Do not use on dishes, glasses or utensils.

* Kills Salmonella enterica (Salmonella), Influenza A Virus (H1N1), Herpes Simplex Virus Type 1 and Respiratory Syncytial Virus on hard, non-porous surfaces in 4 minutes.

** Kills Influenza A Virus (H1N1) and Human Coronavirus on hard, non-porous surfaces in 2 minutes.

** Disinfects:
- Influenza A Virus (H1N1)
- Respiratory Syncytial Virus
- Salmonella enterica (Salmonella)
- Escherichia coli with extended spectrum beta-lactamase resistance (ESBL)
- Escherichia coli O157:H7 (E. coli)

** Sanitizes:
- Enterobacter aerogenes
- Staphylococcus aureus

** Fungistatic:
- Aspergillus niger (Mold & Mildew)

** Directions for Use:
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- To Open Package: Open cap lid and pull up firmly on lid to remove the entire cap from the container. Locate wipe at the center of the roll and insert corner of wipe through opening in lid. DO NOT PUSH FINGER THROUGH OPENING. Replace lid. Pull sheet up and slightly to side. Always snap lid securely shut between uses to prevent moisture loss.
- To Clean: Use fresh wipe on surface. Repeat for stubborn stains.
- To Sanitize / Disinfect: Pre-clean surface. Use enough fresh wipes to thoroughly wet surface. Surface must remain wet for the entire contact time.
- To Sanitize: Allow to remain wet for 10 seconds.
- To Disinfect: Allow to remain wet for 4 minutes. Allow surface to air dry. Toss dirty wipe away.

For Surfaces that come in contact with food: Use only on hard, non-porous surfaces and rinse thoroughly with water.

** Prevent the Growth of Mold and Mildew and their odors: Pre-clean hard, non-porous surfaces. Wipe surface and allow to remain wet for 3 minutes. Allow surface to air dry.

Repeated applications in weekly intervals or when mold and mildew growth appears.

** Not intended for personal hygiene. Do not flush in toilet.

** Precautionary Statements: Hazards to Humans and Domestic Animals
- CAUTION: May cause eye irritation. Avoid contact with eyes. Wash hands after use.

** First Aid:
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for treatment advice.

** Contact Number:
- Questions? Comments or in case of an emergency, call toll free 1-800-228-4722. Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.

** Storage and Disposal:
- Store unopened package in a cool, dry place in areas inaccessible to small children.
- Dispose of wipe in trash after use. Close lid between uses to retain moisture. Non-refillable container. Do not reuse or refill this container.
- Discard in trash or offer for recycling.
- Contains no phosphates. This canister is made of 25% post-consumer recycled plastic.
