Liquid Turf Builder with Plus 2 Weed Control
Easy To Use!
Just attach hose and spray!
IMPORTANT

Application in 1 to 4 weeks:

- Weeds will begin to die within a few days. Some hard-to-control weeds may require a repeat.
- Spray when weeds are actively growing.
- Apply several weeks until they have been moved. What does this mean?
- Do not apply more than 2 of these products to plants during a 6 week period. Do not apply to
- Apply on a dry day. Do not apply to wet foliage. Wet foliage may hinder absorption and rainfall may prevent complete absorption.
- Do not water for 24 hours after application. Wet foliage may hinder absorption and rainfall may prevent complete absorption.
- If lawn needs watering, water thoroughly 24 hours after application.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wear long pants, long-sleeved shirt, socks, shoes and chemical resistant gloves when handling or applying this product. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

### FIRST AID

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor, or going for treatment.

**ENVIRONMENTAL HAZARDS:** This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays and oceans. Do not apply when windy. To prevent product run-off, do not over water to the point of runoff, or apply when raining or when rain is expected that day. This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this product in areas where soils are permeable particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

### NOTICE

To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

**Scotts No-Quibble Guarantee®** If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us evidence of purchase and we will mail you a refund check promptly.
