PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Caustic skin irritation and substantial but temporary eye injury. Do not get in eyes, on skin, or on clothing. When face shield or goggles are not available, protective glasses or goggles may cause allergic reactions in some individuals. Remove contaminated clothing and wash exposed areas. Wash thoroughly with soap and water after handling.

INHALATION: Remove victim to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. Call a physician.

IF IN EYES: Hold eyelids open and flush with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue flushing.

IF SWALLOWED: Do not induce vomiting unless called for by a physician. Call a physician. Do not give anything by mouth to an unconscious person.

FIRST AID

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Rinse immediately with plenty of water for 15 to 20 minutes. If needed, use cold water. Call a physician if necessary.

IF IN EYES: Hold eyelids open and flush with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue flushing. If pain persists, call a physician.

IF SWALLOWED: Do not induce vomiting unless called for by a physician. Call a physician. Do not give anything by mouth to an unconscious person.

NOTICE: You may experience a tingling sensation when using this product. This is normal and indicates that the product is working. Do not use around electrical or electronic equipment.

PHYSICAL AND CHEMICAL HAZARDS: This product contains ingredients that may cause skin irritation or allergic reactions. Avoid contact with eyes, skin, or clothing. This product contains ingredients that may cause skin irritation or allergic reactions. Avoid contact with eyes, skin, or clothing.
