It is a violation of federal law to use this product in a manner inconsistent with its labeling.

HOW TO APPLY
Remove protective cap and snip off end of applicator. Replace protective cap after use. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

WHERE TO USE INDOOR USE
Bed Bugs: Dismantle bed. Use Hot Shot® Bedbug & Flea Killer Powder in joints, crevices and where rooms are inserted. See that all interior areas are dusted. Dust mattresses, especially if beds and edges. After four hours, vacuum the dust from the mattress. All cracks and crevices in the headboard should be treated. Repeat application when dust is no longer present and insects are observed. Flies: Thoroughly clean floor and bedding in and around pet sleeping quarters. Treat surrounding cracks and crevices. Hairbrushes, carpeting and wherever flies are suspected. Cockroaches, Ants, Earwigs, Millipedes and Centipedes, Crickets and Silverfish: Lightly coat a thin layer of Hot Shot Bedbug & Flea Killer Powder in areas where these pests are found and may hide such as cracks and crevices, behind and beneath refrigerators, cabinets, stoves and garbage cans; in and around sewer pipes and drains; window frames and in attics and basements. Dust insects directly if possible. Repeat application when dust is no longer present and insects are observed.

Carpets: Dust along baseboards and carpet edges; under carpeting and furniture; in closets and shelves where these insects are seen or suspected.

OUTDOOR USE
Cockroaches, Earwigs, Millipedes, Centipedes, Slugs, Grasshoppers, Ants, Crickets and other crawling insects: Lightly coat areas where these insects are found or may hide such as patios, playing fields, outdoor sails, window and door frames and outside of outbuildings. Dust around foundations, along and around sewer pipes and drains.

STORAGE AND DISPOSAL
Storage: Store in a cool, dry area. Disposal: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID
If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eyes. Call a Poison Control Center or doctor for treatment advice.

Hotline Number: Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also call 1-800-977-5431 for emergency medical treatment advice.

ENVIRONMENTAL HAZARDS:
To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pest off the treatment area.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
