ADURO® WATER CONDITIONING AGENT, ACIDIFIER, AND SURFACTANT

ADURO® is a blend of adjuvant designed to improve spray solution characteristics and performance. ADURO® delivers faster results over a wide range of application environments.

PRINCIPAL FUNCTIONING AGENTS:
- Monocarbamide dihydrogen sulfate, alkyl amine ethoxylate, 1,2,3-trihydroxypropane .................................................................................................... 80.0%
- Constituents ineffective as a spray adjuvant .................................................................................................................................................................. 20.0%
TOTAL ............................................................................................................................................................................................................................ 100.0%

DANGER

FIRST AID

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED:
Probable mucosal damage may contraindicate the use of gastric lavage.

NOTE TO PHYSICIAN:
Probable mucosal damage may contraindicate the use of gastric lavage.

ALL INGREDIENTS ARE EXEMPT FROM TOLERANCE UNDER 40 CFR 180

NET CONTENTS
2.5 Gallons (9.46 L)

DISTRIBUTED BY: WINFIELD SOLUTIONS, LLC, P.O. BOX 64589, ST. PAUL, MN 55164-0589

PRECAUTIONARY STATEMENTS
Corrosive. Causes irreversible eye damage. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical resistant gloves, long-sleeved shirt and long pants, and shoes plus socks.

DIRECTIONS FOR USE: READ ENTIRE LABEL BEFORE USING
For Terrestrial Use Only – Not For Aquatic Use
ADURO® is a formulated blend of specialized surfactants, acidifiers, and pH buffering agents that replace the need for ammonium sulfate and other adjuvants. ADURO® quickly reduces the antagonistic effects of hard water cations and efficiently lowers pH to minimize the effect of alkaline hydrolysis of pesticides. ADURO® is designed for use with glyphosate herbicides or other herbicides containing glyphosate as part of the formulation. ADURO® can also be used with other pesticides which benefit from water conditioning, wetting, spreading, sequestering, buffering or acidification. When used at recommended labeled rates, ADURO® can positively affect the spray solution characteristics and application results through both the speed and extent of performance.

SPECIAL PRECAUTIONS
Do not add ADURO® to undiluted pesticides.
Do not use with pesticides containing DSMA or sulfonylurea chemistries.
The addition of ADURO® may cause phytotoxicity to desirable foliage, especially when plants are stressed or during periods of high temperatures or high humidity. Therefore, do not use ADURO® over the top of desirable crops or foliage unless the applicator/advisor has prior experience with the pesticide mixture on the crop or variety to be treated, or a field response evaluation has recently been conducted.
The performance of spray solutions containing ADURO® may be affected by weather conditions and the operation of application equipment. Ensure application equipment is clean, in proper working order and properly calibrated before using ADURO®.

RECOMMENDED USE RATES

<table>
<thead>
<tr>
<th>Application</th>
<th>Rate per 100 Gallons</th>
</tr>
</thead>
<tbody>
<tr>
<td>With fully loaded glyphosate</td>
<td>2-4 pints</td>
</tr>
<tr>
<td>With partial or unloaded glyphosate</td>
<td>4-8 pints</td>
</tr>
<tr>
<td>General purpose</td>
<td>2-8 pints</td>
</tr>
<tr>
<td>pH buffering and acidification only</td>
<td>1-2 pints</td>
</tr>
</tbody>
</table>

*Use the higher end of rate range when weeds are large, tough or dense. Aerial applications should also use the higher end of the rate range.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Storage: Store in original container and keep container tightly closed when not in use. Keep away from heat, sparks and flames. Protect from freezing. Shake well before use.

Container Disposal: Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the web page at www.acrecycle.org.

Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill.

Notice of Warranty
Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
