STORAGE AND DISPOSAL
Storage: Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place inaccessible to children and pets.

Disposal: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARNING
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Humans: Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Wear goggles or face shield. Remove contaminated clothing and wash clothing before reuse.

Animals: Do not use on kittens less than 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID
If In Eyes
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a Poison Control Center or doctor for treatment advice.

If Swallowed
- Do not induce vomiting unless told to do so by a Poison Control Center or doctor.
- Have person sip a glass of water if able to swallow.
- Call a Poison Control Center or doctor immediately for treatment advice.

If Inhale
- Remove victim to fresh air.
- If not breathing, perform artificial respiration.
- If breathing is difficult, give oxygen.
- Call a Poison Control Center or doctor for further treatment advice.

If Contacted Skin
- Wash thoroughly with soap and water.
- Remove contaminated clothing and wash before reuse.
- Consult a veterinarian for additional treatment advice.

Health Statement:
This product contains a chemical known to the State of California to cause cancer.

FIRST AID cont...
If On Skin Or Clothing
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a Poison Control Center or doctor for treatment advice.

EPA Est No. 270-324

OTHER INGREDIENTS:
- Pyriproxyfen: 99.989%
- Other: 0.011%
