Active ingredients:
- Pyrethrins (CAS #8003-34-7) 0.15%
- Piperonyl butoxide (CAS #51-03-6) 1.50%
- N-Octyl Bicycloheptene Dicarboximide (CAS #113-48-4) 0.50%
- Di-n-propyl isocinchomeronate (CAS #136-45-8) 0.50%

Other ingredients:
- Butylcarbityl (6-propylpiperonyl) ether and related compounds.

Other related ingredients include grooming additives to ease combing and brushing of the coat to remove dead fleas, ticks, and lice.

Keep out of reach of children.

Caution
See back panel for additional precautionary statements.

Net contents: 6 fl oz (177 ml)
For pets. If signs of sensitivity occur, bathe or wash pets as described above before continuing use. Do not wash or bathe pets for at least 24 hours after using this product. If you or anyone in your household is allergic to this product, use caution when using it. If a reaction occurs, consult a veterinarian immediately.

STORAGE AND DISPOSAL
- Store outdoors in a well-ventilated area. Do not store where moisture, water, or other materials can contaminate the product.
- Keep out of reach of children and pets. Do not use in areas where food or water is stored. Do not use in areas where food or water will come into contact with sprayed areas.
- Do not reuse, refill, or recirculate any pesticide.
- Do not pour on aquatic life. Do not apply to wet or near water areas.
- Do not apply to plants in outdoor residential misting systems.
- Do not apply on land that is bordering water bodies. Do not apply to areas that are part of a public water supply system or to land that is part of a public water supply system.
- Dispose of empty and used containers in an environmentally responsible manner. Do not mix with other products.
- Do not discharge into drains or sewer systems.

LABELING STATEMENTS
