ADAMS® Flea & Tick Spot On® For Dogs

IMPORTANT! DO NOT Use on Dogs LESS THAN 6 Months OLD

READ ENTIRE LABEL BEFORE EACH USE.
USE ONLY ON DOGS. DO NOT USE ON OTHER ANIMALS.

DO NOT USE ON CATS
Keep cats away from treated dogs for 24 hours. If applied to ligetted, contact your veterinarian immediately.

FOR LARGE DOGS (56-100 lb)

To apply this product, use one disposable liquid tube for each application with the applicator device.

1. OPEN Use finger-scoop to fill open end.

2. LOAD Load tube on applicator device. Place the applicator into the body of the dog at the base of the neck. (There is no need to follow the instructions for the application device.)

3. CLOSE Close the blue lid and the tube will snap open.

APPLY The dog should be standing for easy application. Apply the spot-on solution to the neck of the dog at the base of the neck. (There is no need to follow the instructions for the application device.)

DISPOSE Dispose of empty tube, open blue lid and use empty tube in trash or offer for recycling if available. Close applicator device door and store in original packaging.

ADAMS® Flea & Tick Spot On® For Dogs works by application directly to the dog's skin, not to the hair. When applying, use applicator device tip to push wide dogs' hair to allow direct application to the skin. Do not get the product in dogs' eyes or mouth.

EPA Reg. No. 27244-A1-270
EPA Cat. No. 27244-TX-1
