ADAMS
Flea & Tick Spot On for Dogs

IMPORTANT! DO NOT Use on Dogs LESS THAN 6 Months OLD

READ ENTIRE LABEL BEFORE EACH USE.
USE ONLY ON DOGS, DO NOT USE ON OTHER ANIMALS!

DO NOT USE ON CATS

Keep cats away from treated dogs for 24 hours. If applied on a cat, use Spot On for Cats. If applied on any other animal, use Spot On for Cats.

The Smart Shield Applicator is specially designed to provide effective flea and tick control faster and more precisely than other treatments. It is easy to use and keeps your cat safe.

FOR TINY DOGS (5-12 lbs)

1. OPEN
   - Use finger scoop to lift open bottle.

2. LOAD
   - Load bottle while sitting up in the applicator. Ensure that bottle fits securely in the applicator.

3. APPLY
   - Apply product on the back of the neck until the liquid forms a steady stream. Do not exceed the usage amount specified on the label.

4. Dispose
   - Dispose of empty bottle after use.

5. Dispose 
   - Dispose of empty bottle, open bottle and empty tube into trash or offer for reusing if available. Close applicator door and store in original package.

6. Close
   - Close the blue door and the tube will snap open.

Economically cutout for easy handling

Will not drip after opening

Closing applicator door automatically opens tube

STORAGE AND DISPOSAL: Store at room temperature.

Before use, shake well. Apply to the back of the neck until the liquid forms a steady stream. Do not exceed the usage amount specified on the label.

CALL 1-800-234-2305 for emergency medical treatment information.
