PRECAUTIONARY STATEMENTS

HARMFUL TO HUMANS & DOMESTIC ANIMALS

WARNING: Keep out of reach of children. Harmful if swallowed. Harmful if inhaled. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Specially formulated to taste bad and be unattractive to wildlife. Formulated for use outdoors.

FIRST AID

If swallowed:
- Rinse out mouth and drink large quantities of water. Seek medical attention immediately.

If inhaled:
- Move person to fresh air. If breathing is difficult, give artificial respiration or consult physician.

In eyes:
- Hold eye open and rinse gently with water for 15 minutes. If symptoms persist, seek medical attention.

If on skin or clothing:
- Wash affected area with soap and water. Remove contaminated clothing. Call a doctor if symptoms persist.

For more information, call 1-888-246-4488.

If you suspect ingestion or exposure, seek medical attention immediately.
