**Nonionic Surfactant**

**Principal Functioning Agents**
Poloxalene, alkyl polyglucoside, vegetable oil ethoxylate .......................................................... 30.7%
Constituents ineffective as spray adjuvants ....................................................................................... 69.3%
Total.................................................................................................................................................. 100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

**Hazard Statements**
Causes serious eye irritation. May cause an allergic skin reaction. Causes mild skin irritation.

**Precautionary Statements**
Avoid breathing dust/fume/gas/mist/vapors/spray. Wash thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/eye/face protection. If on skin, wash with plenty of soap and water. If in eyes, rinse continuously with water for several minutes. Remove contact lenses if present and easy to do, continue rinsing. If skin irritation or a rash occurs, get medical advice/attention. If eye irritation persists, get medical advice/attention. Wash contaminated clothing before reuse. Store in a dry place. Store in a closed container. Keep container tightly closed. Keep cool. Dispose of contents/container in accordance with local/national regulations.

**Storage and Disposal**
Do not store below 32°F or above 120°F.

Storage: Do not contaminate water, food or feed by storage or disposal of this product.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Refer to back label for First Aid statement.

**Net Contents**
2.5 Gallons (9.46 Liters) or 2 x 2.5 Gallons (18.93 Liters)

Si usted no entiende la etiqueta, busque a alguien para que la explique a usted en detalles.
**First Aid**

**Inhalation**: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**If Swallowed**: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**Skin Contact**: If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**Eye Contact**: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**General Information**

Water-Rite is a unique soil surfactant designed to help in overall soil moisture management in irrigated crops. Water-Rite helps lower surface tension and increases water penetration and water percolation in the soil profile. Water-Rite is most effective when applied with the first irrigation in early spring followed by repeat applications as needed.

**For Use On All Agricultural Crops**

**NOT A PLANT FOOD INGREDIENT**

**WATER-RITE IS NOT FOR AQUATIC USE**

**Conditions of Sale – Limited Warranty and Limitations of Liability and Remedies**

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.’s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
