IP410 Herbicide

ACTIVE INGREDIENT:
* Glyphosate, N-(phosphonomethyl)glycine, in the form of its isopropylamine salt 41.0%
OTHER INGREDIENTS:
29.0%

* Contains 480 grams of the active ingredient glyphosate, in the form of its isopropylamine salt, per liter or 4.0 pounds per U.S. gallon, which is equivalent to 356 grams of the acid, glyphosate, per liter or 3.0 pounds per U.S. gallon.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Keep out of reach of children

CAUTION!

CAUSES EYE IRRITATION

Avoid contact with eyes or clothing

FIRST AID:

• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.
• Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
• You may also call (314) 694-4000, collect, day or night, for emergency medical treatment information.

If in Eyes:

• Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Physical or Chemical Hazards

Read entire label before using this product.

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

Use only for the manufacturing or formulating of, or repackaging as, an herbicide for use in the following crops: Crop Groups 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, acacia; aloe vera; ambrella; asparagus; atemoya; avocado; bamboo; banana; betel nut; biribe; blimbe; breadfruit; buffaloe gourd; cacao (cocoa) bean; castor; carnauba; carambola (starfruit); chaya; chermiony; coconut; coffee; cotton; cranberry; custard apple; date; dokudami; durian; epacate; feijoa; figs; fico; galangal; globe artichoke; Governor’s plum; gow kee; grapes (raisin, table, wine); guava; hops; llama; imbe; imbu; jaboticaba; jachrifat; jidoja; juneberry; kava; kent i; kivi; lesquerella; licorice; longanberry; longan; lychee; mamey apple; mango; manogrostem; marmaldabad (genip); meadowfoam; mioga; mountain papaya; mustard; nori (indian mulberry); okra; olive; orange; papaya; passionfruit; pasture grasses; pasow; peanut; pepper heat; peppermint; perilla; persimmon; pine nut; pineapple; pistachio; plantain; pomegranate; pulegan; quinoa; rambutan; rape; rose apple; safflower; salai; sapodilla; sapote (black, mammy, white); sesame; sultana; morning (milu); sourgrass; soursop; Spanish lime; spearmint; star apple; stevia; strawberry; sugar apple; sugarcane; sunflower; Surinam cherry; tamarind; tea; tili; ugli fruit; wasabi; water spinach; watercress; wos; yamb; yacca.

For use in the following glyphosate-tolerant crops: Roundup Ready Alfalfa; Roundup Ready Canola (Winter Varieties); Roundup Ready Corn; Corn Hybrids with Roundup Ready 2 Technology; Roundup Ready Cotton; Roundup Ready Soybean; Roundup Ready 2 Yield Soybean; Roundup Ready Sugarbeet.

For the following uses: bermsudgrass release; broadcast and spot weed control; chemical mowing; cut stump application; hollow stem injection; injection and flush; trim-and-edge; turgrass renovation; site preparation; and other uses in, on or around the following sites: airports; apartment complexes; aquatic sites; commercial sites; construction sites; CRP land; ditch banks; dormant turfgrass; driveways; farmsteads; fences; forestry; golf courses; industrial sites; landscape areas; lumber yards; non-food, tree brew, vine and ornamentals production sites; nurseries; parking areas; parks; recreational and public areas; pastures; rangelands; residential sites; railroads; rights-of-way; roadsides; schools; sports complexes; turf and grass seed production; utility sites: wildlife plots; wetlands; woodsy brush and trees; and other related sites.

NOTE: This product is NOT registered for the manufacturing or formulating of, or repackaging as, an herbicide for use in Roundup Ready Flex Cotton.

DIRECTIONS FOR USE

Read entire label before using this product.

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

PESTICIDE STORAGE:

Keep container closed to prevent spills and product contamination.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product that cannot be used or chemically reprocessed must be disposed of in a landfill approved for pesticide disposal or in accordance with applicable federal, state or local procedures. Do not dispose of this product as household or other waste. In case of spill or leak, soak up this product with an absorbent material and dispose of the material properly.

CONTAINER DISPOSAL:

Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose.

Cleaning this container before refilling is the responsibility of the refiller. Cleaning this container before final disposal is the responsibility of the person disposing of the container. To clean the container before final disposal, empty the remaining contents from the container into formulating equipment or a mix tank. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinseate into formulating equipment or rinse collection system. Repeat this rinsing procedure two more times. Once properly rinsed, offer this container for recycling, if available, or reconditioning, if appropriate, or dispose of in accordance with federal, state and local regulations and procedures.

LIMIT OF LIABILITY AND WARRANTY

Monsanto Company does not warrant any product reformulated or repackaged from this product except in accordance with this Company’s stewardship requirements and with express written permission from Monsanto Company.
