It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DIRECTIONS FOR USE**

For indoor household use: to kill ants (fire ants [including red imported fire ant], southern fire ant, California fire ant, tropical fire ant, carpenter ant, Argentine ant, pavement ant, larger yellow ant, Little black ant, commercial ant), cockroaches (roach, silvery cockroach, German roach, American roach, banded roach, German cockroach, American cockroach), crickets, silverfish, scorpions, earwigs, and millipedes. For best effect, apply directly on cockroaches, crickets, silverfish, scorpions, earwigs, and millipedes.

For residual control of German cockroaches, spray non-porous surfaces until coated along baseboards, under sinks, refrigerators, stoves, and other places where cockroaches may hide. Do not use as a space spray. Do not apply to humans, pets, plants, or contact food, dishes or utensils. Remove pets and other fish aquariums before spraying. Remove exposed food, dishes and utensils. All food processing surfaces should be covered during the treatment. Do not feed treated surfaces after spraying has dried.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal. PetSafe Stigles: Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food. PetSafe Disposal and Container Handling: Do not puncture or incinerate. Nonreturnable container. Do not reuse or refill this container. If empty: Place in trash or for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS**

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION: Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. PetSafe OIL CHEMICAL, HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

**FIRST AID**

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. IF SKIN OR CLOTHING: Wash off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the protective container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-800-424-0377.
