DIRECTIONS FOR USE:
To open Child Resistant Cap: Peel the label from the neck of the bottle. Twist the cap counterclockwise to remove cap.

To Remove Tough Stains: Apply a generous amount of liquid directly to the tough stains. For severe rust stains, if possible, remove water from bowl. Let sit for 15 minutes. Do not flush. Follow cleaning directions above. Lysol® Power Toilet Bowl Cleaner has been specially formulated for use in the toilet bowl. If a bowl is not new or plated in brass, copper, stainless steel, aluminum, concrete, fiberglass, etc. Clean up spills and spits immediately. Do not use with chlorine bleach or any other chemical products. Do not have any paper products in the plunger or piping systems.

KEEP OUT OF REACH OF CHILDREN
DANGER: CORROSIVE. Causes irreversible eye damage and skin burns; serious local: inflammation.

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage and disposal. STORING: Store in original container in a cool, well-ventilated area, inaccessible to children, away from direct heat, excess moisture, or freezing. DISPOSAL: Pesticides may be hazardous. Improper disposal of pesticides, spray mixture or rinsate is a violation of Federal Law. If mixture cannot be disposed of as spray, contact your state Fertilizer or Environmental Control Agency, or the hazardous waste representative of the nearest EPA Regional Office for guidance. CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. To avoid waste, use all material in container according to local directions. If incorrect disposal of this product occurs, contact your local hazardous waste agency for disposal instructions. CONSUMERS: For additional information, www.tarikh.com
