Net Wt./Peso Neto 1 lb. (453 g)

Active Ingredients/Ingredientes Activos:
- Pyrethrins 0.05%
- Deltamethrin 0.02%
- Other Ingredients/Otros Ingredientes*: 99.93%

Total 100.00%

*Contains petroleum distillate./Contiene destilado de petróleo.
**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General Precautions & Use Restrictions:** Do not allow adults, children, or pets to remain in treated area until sprays have dried. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Remove pets, birds and cover fish aquariums before spraying. Do not apply as a space spray. Do not make outdoor applications during rain. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces or wash them before use. Do not apply directly into sewers or drains or to any area like a gutter where drainage to storm sewers, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Outdoor applications to building foundations are permitted up to a maximum height of 3 feet. Other than applications to building foundations, all listed outdoor applications to impervious surfaces such as sidewalks, driveways, patios, terraces and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications, only. Do not use on edible crops. Not for use in outdoor residential misting systems.

**SHAKE WELL BEFORE USING.** Gently rotate top to open and close. Hold can upright and spray from a distance of 12 to 15 inches. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed. For crack & crevice treatments, firmly insert extension tube into nozzle.

For residential use including non-food areas of: apartments, attics, basements, bathrooms, boats, cabins, campers, garages, homes, kitchens, pet sleeping area and storage areas.

**INDOORS:** Cockroaches, Ants, Asian Lady Bird Beetles, Boxelder Bugs, Centipedes, Crickets, Beetles, Firebrats, Fleas, Palmetto Bugs (Waterbugs), Silverfish, Sowbugs, Spiders and Ticks: Apply as a general surface, spot or crack & crevice treatment to all non-food areas where these pests crawl and hide, especially in cracks and crevices, hidden areas around sinks and storage areas, behind baseboards, around doors and windows, behind and under refrigerators, cabinets, sinks and stoves, the underside of shelves, drawers, bookcases and similar areas. When pests are driven out, spray directly.

Bedbugs: Remove and wash linens. Take bed apart and spray into all areas where ants enter premises and where they crawl and hide. Spray into surrounding areas. Apply around doors and windows and other places where ants enter the house. Repeat if re-infestation occurs, but spray around ant trails and around doors and windows and other areas where these pests crawl and hide, especially in cracks and similar areas. When pests are driven out, spray directly.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal. **STORAGE:** Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. **CONTAINER DISPOSAL:** Do Not Puncture or incinerate container. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. 

**PRECAUTIONARY STATEMENTS**

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Avoid contact with skin or clothing. Prolonged or frequent repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water, after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**FIRST AID:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. NOTE TO PHYSICIAN: Contains petroleum distillate – vomiting may cause irritation pneumonia.

**ENVIRONMENTAL HAZARDS:** This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

**PHYSICAL AND CHEMICAL HAZARDS:** Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Do not apply this product in or on electrical equipment due to the possibility of shock hazard.

**DECLARACIONES DE PRECAUCIÓN**

**RIESGOS PARA SERES HUMANOS Y ANIMALES DOMÉSTICOS**

**PRECAUCIÓN:** No debe aplicarse en la piel o la ropa. El contacto prolongado o repetido con la piel puede causar reacciones alérgicas en algunas personas. Lávese bien con agua y jabón después de manipular el producto y antes de comer, beber, mascar chicle o fumar tabaco. Quite la ropa contaminada antes de volver a usarla.

**PRIMEROS AUXILIOS:** Cuando llame a un centro de control de envenenamientos, a un médico o busque tratamiento, tenga a mano el envase o la etiqueta del producto. SI SE INGIERE: Llame inmediatamente a un centro de control de envenenamientos o a un médico. No induzca el vómito, a menos que se lo indique un médico o el centro de control de envenenamientos. No administre nada por la boca a una persona que haya perdido el conocimiento. SI ESTÁ EN LA PIEL O EN LA ROPA: Qúese la ropa contaminada. Enjuague la piel inmediatamente con abundante agua por 15 a 20 minutos. Llame a un centro de control de envenenamientos o a un médico para recibir instrucciones de tratamiento. NOTA PARA EL MÉDICO: Contiene destilados de petróleo. El vómito podría causar una neumonía por aspiración.

**RIESGOS AMBIENTALES:** Este producto es extremadamente tóxico para organismos acuáticos, incluyendo peces e invertebrados. Para proteger el medio ambiente, no deje que el pesticida entre en sus propiedades o en sus acuicultores. Zonas de seguridad, alcantarillas o aguas superficiales. Para evitar que los peces o los invertebrados salgan de su lecho, no deje que el pesticida entre en ellos.

**RIESGOS FÍSICOS Y QUÍMICOS:** Contenido bajo presión. Mantenga alejado del calor, chispas y llamas expuestas. No perfore ni incinere el envase. La exposición a temperaturas superiores a 130° F puede causar una explosión. No aplique este producto en el interior de habitaciones o entre objetos eléctricos, debido al riesgo de descarga eléctrica.

**ALMACENAJE Y ELIMINACIÓN**

No contamine el agua, los alimentos o el forraje al almacenar o eliminar el producto. **ALMACENAJE:** Almacene en un lugar fresco y seco, fuera del alcance de niños y mascotas y alejado del calor, chispas o llamas expuestas.

**ELIMINACIÓN DEL ENVASE:** No perfore ni incinere. Si está vacío: Colóqueo en la basura o, si está disponible, ofrézcalo para reciclaje. Si está parcialmente lleno: Llámele a su agencia local de desechos sólidos para obtener instrucciones sobre cómo eliminar el producto.
