Do not give anything by mouth to an unconscious person.
Do not induce vomiting unless told to do so by a poison control center or doctor.

NOTE TO PHYSICIAN

Probable mucosal damage may constitute the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be necessary.

NOTICE OF DIRECTION

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

INDUSTRIAL RECIRCUATING WATER COOLING TOWERS
For the control of microbial biofilms, bacteria, algae, and fungi, add Biotrol 102 to industrial recirculating water cooling towers.

DIRECTIONS FOR USE

Add 102 to 219 ppm Biotrol 102 (0.3 to 1.86 pounds or 4.3 to 258 fluid ounces of Biotrol 102 per 1,000 gallons of water in the system) weekly or as needed to maintain control. Badly fouled systems should be cleaned before treatment is begun.
