Regardless of type of application (seed treatment, soil or foliar), do not apply more than a total of 6.4 oz (181.4 gram) active ingredient clothianidin per acre per cropping cycle.

Regardless of type of application (seed treatment, soil or foliar), do not apply more than a total of 0.00238 - 0.00306 mg active ingredient clothianidin per seed.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE
Store in a dry place away from excessive heat. Do not store near food or feed. Store in original container only. To close package, replace and tighten cap to form an airtight seal.

PESTICIDE DISPOSAL
To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

CONTAINER HANDLING
Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from this container into application equipment or rinsate. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times. Offer for recycling, if available; otherwise dispose of in a sanitary landfill or incineration.

RECYCLING
Once cleaned, some agricultural pesticide containers can be taken to a container collection site or picked up for recycling. To find the nearest site, contact your chemical dealer or manufacturer, or contact the Ag Container Recycling Council (ACRC) at 817-862-2100 or visit their website at www.acrecycle.org.
\textbf{DISCLAIMER, RISKS OF USING THIS PRODUCT, LIMITED LIABILITY AND LIMITATION OF LIABILITY}

\textit{Importantly, the terms of this Limited Warranty are not to be declared or interpreted as an Assumption of Risk.}

\textbf{Assumption of Risk}

To the extent consistent with applicable law, Buyer accepts, subject to the following Disclaimer, Risks of Using This Product, Limited Warranty and Liability, which may be modified by any written and signed agreement.

\textbf{Risks of Using this Product}

A product is formulated in accordance with the regulations specified in 40 CFR 153.155, all seed treated with NipsIt SUITE (01) 0 06 53204 XXXXX of the treated acreage, increased care, treatment or other exemptions or limitations may result.

\textbf{NipsIt SUITE}

Treated seeds must be planted at a minimum depth of 0.5 inch. Do not re-use treated bags of seed for planting. In the event of inadequate plant establishment, in which is a neonicotinoid and a Group 4A insecticide. In NipsIt SUITE containing clothianidin (active ingredient) per acre per cropping cycle. As stated by regulations specified in 40 CFR 153.155, all seed treated with NipsIt SUITE contains Clothiani-}

\textbf{PRODUCT INFORMATION}

\textbf{Mechanical Damage}

Mechanical damage may result in loss of seed germination. NipsIt SUITE and water thoroughly into slurry before treating seed. Protectant Use
