You may also contact the Hotline number 1-800-338-3959 for human or veterinary health concerns, emergency medical treatment information or pesticide incidents.
**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not allow children to apply product. TO PREVENT HARM TO YOU AND YOUR DOGS, READ ENTIRE LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS. CAREFULLY FOR EXTERNAL USE ON DOGS ONLY. DO NOT USE ON CATS OR RABBITS. DO NOT USE ON OTHER ANIMALS.

**DO NOT USE ON CATS.**

**FOR EXTERNAL USE ON DOGS ONLY.** Do not use on dogs under 12 weeks of age. Do not apply twice between dogs. Do not apply multiple tubes on one dog. Weigh your dog to be sure you are applying the right dose formulated for the weight of your dog. Overdosing your dog can result in serious illness. Do not bathe your dog within the first 24 hours after the product has been applied. If your dog shows inhibiting signs of and/or is being treated for skin problems, talk to your veterinarian before applying any topical flea and tick control product. Do not apply more than once per month (every 30 days).

For use in DOGS (12 weeks old or older). To repel and kill fleas, ticks, and mosquitoes, sit in the control of miles; repel and prevent blood-feeding by biting fleas. Apply monthly according to directions.

**APPLICATION DIRECTIONS**

1. Remove one applicator from packaging. Hold applicator upright and remove cap.
2. Push cap and slide over the back of applicator tip. Push cap downward briskly. Remove appropriate treatment application.
3. Part dog's hair until skin is visible. Place applicator tip directly against exposed skin.
   a. For small dogs 12 weeks old or older and up to 22.9 lbs: Depress entire contents by squeezing the entire applicator contents onto dog's skin, at a single site, between the shoulder blades as shown in diagram 1a.
   b. For medium dogs 23 to 44.9 lbs or large dogs 45 to 88.9 lbs: Apply the product evenly to three spots on the dog’s back, starting between the shoulder blades and continuing on to the second and third spots as shown in diagram 1b, squishing the applicator until empty.
   c. For extra large dogs 99 to 132 lbs: Apply the product evenly to four spots on the dog’s back, starting between the shoulder blades and continuing on to the second, third, and fourth spots as shown in diagram 1c, squishing the applicator until empty.

Ensure that EFFITIX™ Topical Solution for Dogs is not applied superficially on dog’s hair.

**FREQUENCY OF APPLICATION**

Research has shown that fleas, ticks, biting, and chewing lice, and mite infestations can be controlled with monthly applications of EFFITIX™ Topical Solution for Dogs. Using this and mites are repelled by EFFITIX™ Topical Solution for Dogs.

Fleas: EFFITIX™ Topical Solution for Dogs can start killing adult fleas in 6 hours and lasts for up to three months. Apply monthly if your dog has fleas that may cause allergy dermatitis (FAD), or if re-infestation is likely.

Ticks: EFFITIX™ Topical Solution for Dogs can kill ticks for at least a month. Apply monthly where ticks control is consistently needed.

Lice: EFFITIX™ Topical Solution for Dogs can kill, biting, and chewing lice for a month or longer. Apply monthly where lice control is consistently needed.

Mites: When applied monthly, EFFITIX™ Topical Solution for Dogs acts in the control of mites.

Biting Flies and Mosquitoes: When applied monthly, EFFITIX™ Topical Solution for Dogs kills and repels biting flies and mosquitoes for up to 4 weeks (once monthly). Kills mosquitoes for up to two weeks (once monthly).

Note: Wait at least 30 days before re-application of EFFITIX™ Topical Solution for Dogs. Avoid contact with treated area until dry.

**STORAGE AND DISPOSAL**

Do not contaminate water, feed, or food by storage and disposal.

**STORAGE**: Store unused product in original container only, out of reach of children and animals.

**PESTICIDE/CONTAINER DISPOSAL**: If empty: Nonrefillable. Do not reuse or refill this container. Offer for recycling, if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**LIMITED WARRANTY AND DISCLAIMER**

VEREAG warrants this product only if it is used, stored and handled in accordance with the labeled instructions. The buyer and user is solely responsible for all risks of use and handling of this product when such use and handling are contrary to or different from the labeled instructions. To the extent permitted by applicable law, any damages arising from a breach of this warranty shall be limited to direct damages only and shall not include any type of consequential damages.

**NEW USE**: For support and competent application, EFFITIX™ Topical Solution for Dogs is available in a bottle containing small dogs 12 weeks old or older and up to 22.9 lbs (0.034 fl oz/0.1 mL), medium dogs 23-44.9 lbs (0.065 fl oz/0.2 mL), large dogs 45-88.9 lbs (0.131 fl oz/0.5 mL), and extra-large dogs 89-132 lbs (0.203 fl oz/0.6 mL).

**Net Contents**: 1, 3, 6, or 12 (single-dose applicators) per package containing 1 mL, 2 mL, 4 mL, or 8 mL/0.034 fl oz, 0.065 fl oz, 0.131 fl oz, or 0.203 fl oz of solution.
