FOR USE ON DOGS AND PUPPIES 8 WEEKS OLD OR OLDER

For convenient, quick-acting, long-lasting, effective control of fleas, ticks, mosquitoes, and lice.

- Easy and convenient application
- Stops existing infestations and prevents establishment of new infestations for fleas and ticks
- Starts working on contact
- Waterproof
- Prevents re-infestation for one month
- Remains effective even after bathing, water immersion, or exposure to rain or sunlight
- Kills newly emerged adult fleas prior to egg laying
- Kills ticks that may transmit the following diseases: borreliosis, tularemia, and tapeworm infestations
- Kills ticks that may cause dog allergy dermatitis (FAD) or flea-bite pruritus
- Prevents flea feeding by mosquitos
- Kills and repels all stages of fleas, ticks, mosquitoes, and lice infestations

EFFITIX® Topical Solution for Dogs contains the active ingredients fipronil and permethrin, which control infestations caused by fleas, ticks, and lice; repel against biting flies, and repel and kill mosquitoes.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HAZARDS TO HUMANS

Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, smoking, chewing gum, using tobacco, or using the toilet.

HAZARDS TO DOMESTIC ANIMALS

Do not use on puppies under 6 weeks of age. Individual sensitivities, while rare, may occur after using ANY pesticide product. Dogs may experience some temporary irritation at the site of product application. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and rinse with large amounts of water. If signs of sensitivity occur and persist, consult a veterinarian immediately. If your dog has an unusual reaction to the initial application, consult a veterinarian before reapplying. Certain medications can interact with pesticides. Consult a veterinarian before using an medicated, debilitated, aged, pregnant or nursing dogs, or animals known to be sensitive to pesticides products.

FIRST AID

IF SWALLOWED:  
- Call a poison control center or doctor immediately for treatment advice. 
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything to an unconscious person.

IF IN EYES:  
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. 
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:  
- Take off contaminated clothing. 
- Wash skin immediately with plenty of water for 15-20 minutes. 
- Call a poison control center or doctor for treatment advice.

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact the hotline number 1-800-338-0689 for human or veterinary health concerns, emergency medical treatment information or pesticide incidents.
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not allow children to apply product. TO PREVENT HARM TO YOU AND YOUR DOG, READ THIS LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY. FOR EXTERNAL USE ON DOGS ONLY. DO NOT USE ON CATS OR RABBITS. DO NOT USE ON OTHER ANIMALS.

DO NOT USE ON CATS.

FOR EXTERNAL USE ON DOGS AND PUPPIES ONLY. Do not use on puppies under 8 weeks of age. Do not use on dogs weighing less than 5 pounds or over 100 pounds. Do not use on pregnant or nursing bitches unless otherwise recommended by your veterinarian. Discontinue use if urination problems occur. Do not use if the dog has a history of liver disease or kidney disease. Do not use if the dog is allergic to this product or if it has a history of skin sensitivity. In case of accidental ingestion, contact a veterinarian immediately.

APPLICATION DIRECTIONS

1. Remove one applicator from packaging. Hold applicator upright and remove cap.
2. Insert cap and slide other end back onto applicator tip. Push cap down to break seal. Remove cap prior to instillation application.
3. Part dog’s hair until skin is visible. Place applicator tip directly against exposed skin.

For small dogs and puppies weighing 5 to 10.9 lbs or weighing 11 to 22 lbs:
- Apply the product to the area between the ears on the dog’s back, two inches anterior to the shoulder blades.

For medium dogs weighing 23 to 44.9 lbs or large dogs weighing 45 to 58.9 lbs:
- Apply the product to the area between the ears on the dog’s back, two inches anterior to the shoulder blades.

For extra large dogs weighing 59 to 99.9 lbs:
- Apply the product to the area between the ears on the dog’s back, two inches anterior to the shoulder blades.

Ensure that EFFITAK® Topical Solution for Dogs is applied to the treatment area only.

FREQUENCY OF APPLICATION

Fleas, ticks, and chewing lice instillations can be controlled with monthly applications of EFFITAK® Topical Solution for Dogs. Fleas, ticks, and chewing lice instillations are reported by EFFITAK® Topical Solution for Dogs.

Please note: EFFITAK® Topical Solution for Dogs can kill adult fleas within 6 hours and lasts for up to 3 months. Apply monthly if your dog has fleas that may cause flea allergies dermatitis (FAD) or if re-infestation is likely.

Toxicity: EFFITAK® Topical Solution for Dogs can cause skin irritation. Use with caution in cats and puppies.

Inform: EFFITAK® Topical Solution for Dogs is not to be used on cats or other animals.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store unused product in original container only, out of reach of children and animals. PESTICIDE/CONTAINER DISPOSAL: If empty, Nonhazardous. Do not reuse or refill this container. Offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
