On Fruit Trees, Flowers, Fruits and Vegetables

Effective Long Lasting Control

IF INHALED

• Remove to fresh air. If notimmediately conscious, give artificial respiration.

IF SWALLOWED

• Call a poison control center or doctor immediately. Do not induce vomiting unless told to do so by a poison control center or doctor.

DO NOT GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.

In case of contact with eyes:

• Wash out eyes with large amounts of water for 15 minutes, and get medical attention.

In case of contact with skin:

• Wash skin with soap and water. If irritation persists, get medical attention.

In case of contact with clothing:

• Remove clothing. Wash clothing before reuse.

In case of exposure to dust:

• Wash face, hands, and any other skin exposed to dust. If irritation persists, get medical attention.

In case of ingestion:

• Rinse mouth out with water. Do not induce vomiting unless told to do so by a poison control center or doctor.

DO NOT GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.

For further assistance, call 1-877-BAYERAG (1-877-229-3724) or visit our website at www.BayerAdvanced.com.

Read the label first!

Use at first signs of insect infestation, preferably before damage from feeding occurs.

Apply when air is calm to avoid drift and contact with eyes and skin.

Use a dust gun, puffer or other bulbous duster, rotary duster or other appropriate duster as available.

Harmful if swallowed, inhaled. Avoid breathing dust. Avoid contact with eyes and skin. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs.

For questions or comments, call 1-877-BAYERAG (1-877-229-3724) or visit our website at www.BayerAdvanced.com.

For more information, please visit our website at www.BayerAdvanced.com.

Store in a cool, dry place. Do not contaminate feed or foodstuffs by storage or disposal.
