Net Contents: 24 Oz. = 1 APPLICATION
TR-300 D  B84-172  For 40 to 50 Tons

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. ACE Pan Protector Time Released is for use in the drain pans of many cooling units such as air conditioners and refrigerators. For use in toilets and urinals. Controls the foul smelling odor caused by mildew, fungi, bacteria, algae and slime. For use in hotels, motels, schools, colleges, hospitals, nursing homes and airports. Effective against odor-causing bacteria. ACE Pan Protector Time Released is a controlled release product that easily fits into most air conditioners, refrigeration drip pans or the water tank of your dehumidifier. Because of the controlled release mechanism, ACE Pan Protector Time Released will last up to six months effectively maintaining clean water and inhibiting the foul odors caused by mildew. ACE Pan Protector Time Released provides a pleasant odor as it works. Not for use in heat vaporizing or atomizing type vaporizing humidifiers.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER CORROSIVE Causes irreversible eye damage and skin burns. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield or safety glasses), protective clothing, and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.
NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL
Store in original container in areas inaccessible to children. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.
GENERAL: Consult Federal, State or local disposal authorities for approved alternative procedures such as limited open burning.
