DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. SNIPER® is effective for disinfection of hard non-porous surfaces at room temperature (20 - 25°C). Remove gross filth and heavy soil prior to application.

For general disinfection, apply SNIPER® at full strength to surface, wetting thoroughly with sponge, mop, spray, or by immersion in solution. Allow surfaces to remain wet for 10 minutes before rinsing thoroughly and wiping dry. For immersion, replace solution daily or more frequently if it becomes significantly soiled or diluted.

SNIPER® provides broad-spectrum efficiency and economy for commercial, institutional, industrial and agricultural disinfection.

SNIPER®'s ability to OXIDIZE MALODORS offers a definite plus to its disinfecting ability.

SUGGESTED USES: For use on non-food, hard surfaces such as glass, laminate, chrome, stainless steel, polyurethane coated hardwood floors, glazed ceramic tile floors, examining tables and toilets in Institutions and Public Places; Meat Packing Plants; Fish Processing Plants; Poultry Hatcheries; Industrial Processing Plants; Dairies; and Food Processing Plants.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL: Store in original closed container in a cool, dry place away from heat and open flame. DISPOSAL: do not contaminate water, food or feed by storage or disposal. Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal, triple rinse (or equivalent), then place in a trash receptacle.

NOTICE: Seller expressly warrants that the product conforms to its chemical description. There are no warranties associated with sale of the product either express or implied including but not limited to the warranties of fitness for a particular purpose or use.
