NET 3.78 QT (121 FL OZ) 3.57 L

KEEP OUT OF REACH OF CHILDREN
DANGER

FIRST AID: Call a Poison Control Center (1-866-366-5048) or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. IF SWALLOWED: Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. See back panel for additional precautionary labeling.

ACTIVE INGREDIENT: Sodium Hypochlorite............... 8.25%
OTHER INGREDIENTS:............. 91.75%
TOTAL:.............................. 100.00%
Yields 7.86% Available Chlorine.
CONTAINS NO PHOSPHORUS
### Laundry Use

### Precautionary Statements: Hazards to Humans and Domestic Animals

**Danger: Corrosive.** Causes irreversible eye damage and skin burns. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear safety glasses and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until strong odors have dissipated. Remove and wash contaminated clothing before reuse.

**Environmental Hazards:** This product is toxic to fish and aquatic organisms.

**Physical and Chemical Hazards:** Strong odorizer. Flush drains before and after use. DO NOT use or mix with other household chemicals, such as toilet bowl cleaners, rust removers, acid or ammonia-containing products. To do so will release hazardous gases. Prolonged contact with metal may cause pitting or discoloration.

**Storage and Disposal:**

Do not contaminate food or feed by storage, disposal or cleaning of equipment. Store in a cool dry area away from direct sunlight and heat to avoid deterioration. In case of spill, flood area with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer.

**Container Disposal:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available or place in trash collection. KEEP BOTTLE UPRIGHT AND TIGHTLY CAPPED.

*Kills common household germs including: Staphylococcus aureus, Streptococcus pyogenes, Salmonella enterica, Trichophyton mentagrophytes (Athlete's foot fungus), Escherichia coli (E. coli), **Influenza A virus**, and **Influenza B virus**, and **Respiratory syncytial virus**.

EPA REG NO.: 70271-76  

Letter designation in lot code printed above or below label on bottle identifies actual establishment.
