PRODUCT DESCRIPTION: This pre-filled and disposable or recyclable pac provides an effective and easy way to both start up a pool in the spring and close the pool for the winter. Use FROG Leap Depth Charge with the FROG Leap Mineral System for residential swimming pools up to 15,000 gallons. It eliminates organic contaminants to keep water crystal clear without raising chlorine levels.

DIRECTIONS FOR USE:

For Spring Start Up: After balancing the pool water and inserting a new FROG Leap Anti-Bac Mineral Pac (EPA Reg. No. 53735-11) into the FROG Leap System, insert FROG Leap Depth Charge using steps 1 through 8 below.

For Winterizing: Before lowering the water level and discarding the used FROG Leap Anti-Bac Mineral Pac, insert FROG Leap Depth Charge using steps 1 through 8 below.

1. With the circulation system off, set control dial to lowest setting and remove the cap to the FROG Leap System.
2. Turn FROG Leap Depth Charge over so open ends face down and turn FROG Leap Depth Charge over so open ends face down and remove the cap to the FROG Leap System.
3. Turn FROG Leap Depth Charge over so open ends face down and insert into the center of the FROG Leap Anti-Bac Mineral Pac. The ends of the pac will align with an L shaped key in the system. DO NOT FORCE.
4. Replace cap on the FROG Leap System and set dial to Setting 5. Turn on pump and allow 1 hour for the product to slowly dispense into the pool.
5. If after 1 hour, the pac still contains some ingredient, re-insert, replace cap and run the circulation for an additional 30 minutes.
6. Remove the empty FROG Leap Depth Charge and discard or recycle.
7. Replace cap on the FROG Leap System and allow circulation to run at least 15 minutes before inserting any other FROG Leap products.
8. Repeat steps 1-7 if additional FROG Leap Depth Charge is required.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. If swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IN CASE OF MEDICAL EMERGENCY, CALL 1-800-424-9300

PRECAUTIONARY STATEMENTS:

DANGER: Corrosive to eyes, skin and mucous membranes. May be harmful if swallowed. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling. Avoid breathing dust.

PHYSICAL AND CHEMICAL HAZARDS: STRONG OXIDIZING AGENT. Do not refill empty container. Do not mix with other chemicals. Never add water to product. Always add product to large quantities of water. Mix only into water using clean, dry utensils. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. Do not use this product in any dispensing device which has been used with any inorganic or unstabilized chlorinating compounds (e.g., calcium hypochlorite). Such use may cause a violent reaction leading to fire or explosion.

STORAGE AND DISPOSAL: Store container in a cool, dry, well-ventilated area, away from direct sunlight or heat. Container Disposal: Non-refillable container. Do not reuse or refill this container. Rinse container thoroughly with water. Offer for recycling if available or discard in trash.

Important: The warranty will be void if this pac is not used with the appropriate FROG System. Fire or explosion may result if this pac is used with an incorrect system.

Note: Some settling may occur during shipment. DO NOT REMOVE LABEL. NPTN hotline number for public information: 1-800-858-7378

Note: Buyer assumes all responsibility for safety and use not in accordance with directions.
