Moss Buster®
Nature's Solution to Nature's Problems...

Ready To Use
For use on: Moss • Liverwort • Algae
Lichens • Mildew • Fungi

Horticulture • Home & Garden • Roof • Turf

DIRECTIONS FOR USE:

READ label carefully before use and follow directions. It is a violation of Federal Law to use this product in any manner inconsistent with its labeling. This product can only be used in accordance with the Directions for Use on this label or in separately published Moss Buster® Supplemental Labeling. Do not mix with any other chemical.

Moss Buster® RTU is ready to use. Apply as a spray, sweeping across the moss, wetting the entire moss patch to get thorough treatment. For best results, use on a sunny day with temperatures of 50°F (10°C) or above. Rain and cold temperatures decreases this product’s effectiveness. Extremely thick patches of moss (bryophytes) may require (two) additional applications.

Golf Greens, (Sports) Turf, and Grass
This product is for use on grass, artificial turf, asphalt and clay surfaces. Shake bottle vigorously before using. Apply spray directly on moss, holding the bottle 6-7 inches away. Spray to spot treat and wet the entire moss patch. Confining spray to moss and a 2 inch perimeter around it. Watering within 24 hours speeds turf recovery, grass will discolor but recovers completely in 10-14 days with normal watering.

Patios, Landscape Structures, Walls, Wooden Decks & Fences, and Pavers
This product is for use on structures and surfaces made from cement, concrete, wood, brick, block, blacktop, marble, and stone. Shake bottle vigorously before using. Spray 4-8 inches from moss. Use at closer distance for dense moss. Spray to wet entire moss patch. No need to scrape it off. Sunlight, wind and rain will wash moss off structures.

Roofops
This product is for use on wood, asphalt and rubber rooftop surfaces. Shake bottle vigorously before using. Spray 4-8 inches from moss. Use at closer distance for dense moss. Spray to wet entire moss patch. No need to scrape it off. Sunlight, wind and rain will wash moss off structures.

Potting Media
This product can be applied to potting media including soil, dirt, bark, sand, compost and vermiculite to kill moss. Shake bottle vigorously before using. Spray 4-8 inches from moss. Use at closer distance for dense moss. Spray to wet entire moss patch.
