DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

• Do not re-treat Go-Away™ Mattress Encasement with other Permethrin products.
• Spot Clean Only. Do Not Dry Clean. Dry Cleaning will remove the active ingredient.

This product alone is not intended as a complete solution to bed bug infestations, but for use with other bed bug products and methods for killing or preventing them. A partial list of such products and methods is given below:

• When traveling, keep luggage up on luggage racks, check hotel beds and head boards for bed bugs.
• Upon returning from travel, unpack and place clothes directly into washer, then dryer.
• Heat smaller infested articles to 113° F for 1 hour.
• Freeze smaller articles at 0° F for 4 days.
• Wash and dry smaller bedding items but not Go-Away™ Mattress Encasement.
• Check second hand furniture and bedding for bed bugs before bringing them home.
• Reduce clutter at home.
• Place interceptor traps under bed legs.
• Use encasements around mattresses and box springs.
• Use insecticidal sprays labeled for killing bed bugs.

Mattress Encasement: Remove mattress encasement from package and place mattress inside casing so that it is completely enclosed in the treated fabric casing, then zip casing closed.

Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Disposal: Discard in trash. Do not reuse.

Retain this label for future reference on proper use and handling of this Go-Away™ Mattress Encasement.
