Fungi: Trichophyton mentagrophytes (the athlete's foot fungus), Aspergillus niger, (mold and mildew)

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID: IF IN EYES: Rinsed eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eyes.

For other questions, call a Poison Control Center (1-800-222-1222) or doctor for treatment advice. Have the product container or label with you when calling.

Storage and Disposal

Store in original container in areas inaccessible to children. Keep securely closed. Harmful if swallowed. Do not mulch or refill container. Discard empty container in trash or recycle if available.

Inhalation:
Remove victim to fresh air. If not breathing, call 911 or other emergency services immediately. Then give CPR, if trained and appropriate. Do not give by mouth.

Ingestion:
Do not induce vomiting. If patient is conscious, give 1-2 cups of water. Call a Poison Control Center (1-800-222-1222) or doctor for treatment advice. Have the product container or label with you when calling.

Skin:
Wash with soap and water. If irritation occurs, get medical help.

Eye:
Rinse eyes with plenty of water for 15 to 20 minutes. Seek medical attention.

Fuller Disinfection Instructions

Repeat treatment every seven days, or more often if new growth appears.
