STABILIZED CHLORINATOR

CLEAR SHOCK
- Kills bacteria and algae
- Restores crystal clarity to pool water
- Totally soluble and fast dissolving

CONTAINS 40-1lb. BAGS

Net Wt. 10 lbs. (4.54 kg)

KEEP OUT OF REACH OF CHILDREN

DANGER
Contact with eyes may cause severe or permanent eye damage. Do not get in eyes. Wash affected area with plenty of water for 15 minutes. Call a doctor or poison control center. Do not use on aquatic plants. If swallowed, do not induce vomiting. Call a doctor or poison control center. Not for use in swimming pools or hot tubs. For use in above-ground pools only. For best results, use before the next time the pool is to be opened.
**HOT TIP: USE**

- Add the recommended dosage of this product directly to the pool during heavy rains or during the clearing of debris from the pool.
- Use the shock at a lower concentration for healthier water in the pool.
- Allow the shock to react for 24 hours before the pool is used.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**

- Excessive shock can cause nausea and vomiting.
- Some shock formulations are toxic to fish. Consult your pool supplier for recommendations.

**HAZARDS TO POLLUTANTS:**

- Shock can cause fish and other aquatic life to die.

**IN CASE OF EMERGENCY**

- Call a professional for assistance.
- Never attempt to handle or dispose of the product yourself.
