A Biological Agent for the Protection of Plant Roots Against Plant Parasitic Nematodes

INSTRUCTIONS FOR USE

1. **Application during periods of root growth will cause a reduction in nematode population.**
   - **For turf applications:** Apply NORTICA 10 WP during periods of root growth.
   - **For agronomic crops:** Apply NORTICA 10 WP just before planting or seeding.

2. **Apply NORTICA 10 WP in accordance with the requirements of the Worker Protection Standard (WPS) and the applicable state laws.**

3. **Mixing and Compatibility:**
   - **Physical Compatibility:** Before mixing, check the compatibility of NORTICA 10 WP with other materials.
   - **Efficiency and Safety:** Ensure that the combination is physically compatible, effective, and non-injurious under your use conditions.

4. **Temperature Requirements:**
   - **Soil Temperature:** Apply NORTICA 10 WP when soil temperatures have reached 15-20°C (60-68°F) prior to the first flush of roots.

5. **Watering:**
   - After each application of NORTICA 10 WP, irrigate to wash the product from the target area.
   - **Irrigation Requirements:** Irrigate to depths of 3-4 inches as management practice allows.

6. **Fertilizer Management:**
   - **Application Timing:** Apply NORTICA 10 WP 7-10 days before applying fertilizer.
   - **Compatibility:** Check the compatibility of NORTICA 10 WP with fertilizers and adjuvants.

7. **Environmental Considerations:**
   - **Irrigation:** Irrigate in the morning to avoid spraying plants while they are most susceptible to damage.

8. **Special Considerations:**
   - **Herbicide:** Do not apply NORTICA 10 WP and an herbicide at the same time.

9. **Handling and Storage:**
   - Store NORTICA 10 WP at room temperature.
   - **Safety Precautions:** Use proper protective equipment when handling NORTICA 10 WP.

10. **Disposal:**
    - **Disposal of Empty Bags:** Completely empty bag into application equipment and offer for recycling, if possible.

11. **Recycling Information:**
    - **Recycling Programs:** Check for recycling programs in your area.

12. **Environmental Impact:**
    - **Avoid Contamination:** Avoid contamination of water, food, or feed by storage or disposal.

13. **Labeling:**
    - **Compliance:** Use NORTICA 10 WP in accordance with its labeling and the Worker Protection Standard.

14. **Further Information:**
    - **Metal Contents:** Information regarding the contents and levels of metals in this product are available on the Internet at http://www.flaes.org/pdf/BMP_Book_final.pdf.
    - **Recommendations:** For use on golf courses in FL, follow SL191.
