**PRECAUTIONARY STATEMENTS/HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**

**DANGER:** Keep out of reach of children. Causes corrosive eye damage and skin burns. Harmful if swallowed. Harmful if absorbed through the skin or inhaled. Avoid breathing spray mist. Do not get into eyes, on skin or clothing. Wear goggles or face shield and rubber gloves and protective clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking, using tobacco or using the toilet. Remove contaminated clothing and wash clothes before reuse.

**GENERAL PRECAUTIONS AND RESTRICTIONS:** Do not use with CHLORINE BLEACH, AMMONIA CLEANERS OR OTHER HOUSEHOLD CHEMICALS. PHYSICAL OR CHEMICAL HAZARDS: Do not mix with oxidizers, aromatic solvents and MCINTOSH es. NEVER USE WITH CHLORINE PRODUCTS. Can react to give chlorine gas. If this occurs, flush toilet to remove chemicals and leave the area. Do not return for half an hour. Ventilate if possible. Never use or mix with other cleaners or chemicals. Do not use on any surface that can be damaged by acidic materials. Surfaces are not resistant to acid.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Keep in a cool, dry location. Store in original container. Do not reuse empty container. If a leaky container must be contained in another container, mark the outer container to identify the contents.

**PESTICIDE DISPOSAL:** Pesticide waste is subject to hazardous waste regulations. Improper disposal of pesticide waste is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, the Pesticide Waste Representative at the nearest EPA Regional Office for guidance.

**CONTAINER HANDLING DISPOSAL:** Non-refillable container. Do not reuse this container to hold materials other than pesticides or dilute pesticides. After emptying and cleaning, it may be beneficial to temporarily hold waste or other pesticide-related materials in this container. Consult your state regulatory agency for acceptable practices in your state. (For removal of other chemicals or infectious waste, see your local hazardous waste collection programs.)

**NOTICE TO PHYSICIAN:** Probable percolation damage may contaminate the use of gastric lavage.
