DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Keep children or pets off treated area until product has been watered in and lawn is dry.

In New York State, this product may not be applied to lawns within 100 ft. of a coastal marsh, or stream that drains directly into a coastal marsh.

GENERAL INFORMATION

For use outdoors, on lawns and as a barrier band treatment around house foundation. Kills ants (including Fire Ants), crickets, earwigs, fleas, roaches (German and American) and other insect pests listed on this label.

To use this product follow these 2 easy steps – (1) Determine the size of the job and measure the area to be treated. (2) Treat as directed in rate chart. Complete coverage is important. Water in granules immediately following application.

NOTE: Make no more that 6 applications per year. Do not apply within 24 hours of rain. Do not allow product to run off from target area. Do not mow for 24 hours following treatment.

**STORAGE & DISPOSAL**

Pesticide Storage: Store and transport in upright position. Store only in original container, in a cool, dry place inaccessible to children or pets. Pesticide Disposal: If partly filled – Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. Container Disposal: If empty – Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available.

**FIRST AID**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medicinal treatment information.

- **If swallowed:**
  - Call Poison Control Center or doctor immediately for treatment advice.
  - Have person sip a glass of water. If able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor.
  - Do not give anything by mouth to an unconscious person.

- **If in eyes:**
  - Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
  - Call a poison control center or doctor for treatment advice.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly after handling and before eating or smoking. Food utensils such as spoons or measuring cups must not be used for food purposes after use in measuring pesticides.

---

**Environmental Hazards**

This product is highly toxic to fish and aquatic vertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

**WARRANTY**

Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents) call National Pesticide Information Center at 1-800-858-7378.

**LEA TOTA LA ETIQUETA ANTES DE CADA USO**

**INSTRUCCIONES DE USO**

Utilice este producto de manera distinta a la que se describe en su etiqueta constituye una violación de la ley federal.

Mantenga a los niños o las mascotas fuera del área tratada hasta que el producto se niegue y el césped esté seco.

En el Estado de Nueva York, este producto no puede aplicarse en céspedes que se encuentran a 100 pies de marismas costeras o arroyos que desembocan directamente en una marisma costera.

**INFORMACIÓN GENERAL**

Para uso en exteriores, sobre el césped y como un tratamiento de banda de protección alrededor del círculo de la casa. Mata hormigas (incluso hormigas de fuego), grillos, tijeretas, pulgas, cucarachas (americana y germanica) y otras plagas de insectos que aparezcan en esta etiqueta.

Para utilizar este producto, siga estos sencillos 2 pasos - (1) Determine el tamaño del trabajo y mida el área que será tratada. (2) Aplique el tratamiento como se indica en la tabla de dosis. La cobertura completa es importante. Hágalo con los gramos inmediatamente después de la aplicación.

NOTA: No realice más de 6 aplicaciones por año. No aplique dentro del plazo de 24 horas de lluvia. No deje que el producto se escurre del área objetivo. No corte el césped durante 24 horas después del tratamiento.
