### Conditions of Sale:

We warrant that this product conforms to the chemical description on the label and is reasonably fit for the purposes set forth on the label when used according to directions under normal use conditions.

**THERE ARE NO OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING A WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.**

### STORAGE AND DISPOSAL

Do not store near heat or open flame. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact state and local ACRC recycler visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers may also be disposed of in a sanitary landfill. This statement was developed by WSFA, since burning plastic containers is illegal in Washington (as well as other states).
