PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS
Avoid contact with eyes, mouth, and skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

HAZARDS TO DOMESTIC ANIMALS
DO NOT USE ON OTHER ANIMALS. Do not use on dogs or puppies less than 12 weeks old or weighing less than 61 lbs. Do not use on cats. Do not use on pregnant or nursing animals or on animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transitory redness of the skin at the site of application, may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap, rinse with large amounts of water, and consult a veterinarian immediately.

ENVIRONMENTAL HAZARDS
This product is toxic to fish.

FIRST AID
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Do not remove contact lenses, if present, after the first 5 minutes, then contacts rinsing eye. Call a poison control center or doctor for treatment advice. HOT LINE NUMBER: Have the product container or label with you when calling a poison control center, doctor or veterinarian, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-275-1414.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill container. If empty: Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

For more information call our experts at 1-800-275-1414.

EPA Reg. No. 2596-169  EPA Est. No. 2596-0H-1
Patented Formula RM 112841

Directions for Use:
1. Remove one applicator tube from the package and hold in an upright position pointed away from your face.
2. Twist dispensing tip clockwise about 1/4 turn while pushing down to break the tube's seal. Do not remove the dispensing tip.
3. Position the dispensing tip on the dog's back between the shoulder blades. Use the dispensing tip of the tube to part the dog's hair so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you move from the shoulder blades along the dog's back to the base of the tail.
4. Repeat every month. Do not bathe your dog 48 hours prior to application.
5. Separate treated dogs from other pets for 24 hours after treatment has been applied.

SIDE EFFECTS
Monitor your dog after applications. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-800-275-1414.
