Reptile Stopper Granular

This product is a highly effective formula for preventing snake entry, foraging and nesting when used according to directions. This product works by smell, taste and feel.

**DIRECTIONS**

1. Shake container well before using.
2. Apply product liberally to turf, flower beds and other ground cover, making sure to apply an even amount to the area. When using on or near edible crops, apply the product when no above ground harvestable food commodities are present (usually pre-bloom).
3. This product can be applied in any climate or temperature.
4. Repeat application as needed, usually every 30 days.

**ACTIVE INGREDIENTS**

- Cinnamon Oil: 96%
- Geraniol: 56%
- Cedar Oil: 37%
- Peppermint Oil: 18%
- Clove Oil: 18%

**TOTAL: 100.00%**

**TOTAL: 100.00%**

**CAUTION:** KEEP OUT OF THE REACH OF CHILDREN.

Store at room temperature. To reduce contact with skin, always wear gloves when handling. In case of eye contact or prolonged exposure to skin, flush thoroughly with water to reduce irritation. If swallowed, drink a glass of water. Buyer assumes liability for label claims. When finished with contents, clean the container and recycle.
