DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND CATS. Follow all precautions and directions.

Shake Well Before Use
For use on Dogs, Cats, Puppies, and Kittens over the age of 12 weeks for control of Fleas and Ticks. Do not repeat treatment for 7 days. Do not use on puppies and kittens under 12 weeks. Consult a veterinarian before using this product on deloused, matted, pregnant, or nursing animals. Sensitivity testing is not required. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

HOW TO USE: Wet the animal's coat for 2-3 minutes with warm water. Apply shampoo on head and ears and neck. Then rinse procedure with soap, wash, and dry. Topical treatment may not be as effective in dogs with excessive amounts of water. Apply special attention to the footpads between the toes and under the nails. Wash head and ears with a commercial shampoo. If signs of sensitivity occur, before your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
