This product is a topical solution for dogs, cats, and
puppies 8 weeks old or older. It contains the active ingredient
fipronil, which is a synthetic derivative of a group of
chemicals known as the neuraminidases.

KEEP OUT OF REACH OF CHILDREN

do not let children come into contact with this product.

CAUTION

READ CAREFULLY. LABEL AND INCLUSION DIRECTIONS
BEFORE USE.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

Harmful if swallowed or inhaled. Do not touch eyes, mouth, or
scalp with hands that have handled the product. Do not use if
the product is cloudy, colorless, or has an unpleasant odor.

HAZARDS TO DOMESTIC ANIMALS

For external use on dogs only. Do not use on
puppies under 8 weeks of age. Individual

usable only, for use on dogs and puppies 8
weeks old or older. Use in dogs only. Do not use
on cats. Use only as directed.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by using this product together with food or feed or in the same storage or feed equipment.

STORAGE: Store unused product in original container in a cool, dry place.

COMPLIANCE:

See the label for instructions. Carefully follow the directions for proper use of the product. Do not use this product for any other purpose. This product is for use on dogs only. Do not use on cats. Use only as directed.

FIRST AID:

IF SWALLOWED:

Call a poison control center or doctor immediately for treatment advice.

If more than 12 hours have passed since the last dose, do not give another dose; you may consult a veterinarian for treatment advice.

If in eyes:

Rinse with water for at least 15 minutes. Do not rub, and cover the eye with a sterile, clean, soft cloth. If irritation persists, consult a veterinarian.

IF INHALED OR INGESTED:

If you suspect poisoning, consult a veterinarian immediately.

Packaging Information:

This product is supplied in a convenient, aerosol-based applicator. Use as directed. Store in a cool, dry place.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HAZARDS TO HUMANS
Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with eyes, mouth, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, cleaning, or using the toilet.

HAZARDS TO DOMESTIC ANIMALS
For external use on dogs only. Do not use on puppies under 8 weeks of age. Individual sensitivities, like rash, may occur after using any animal product. Dogs may experience some temporary irritation at the site of product application. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and rinse with large amounts of water. If signs of sensitivity occur and persist, consult a veterinarian immediately. If your dog has an unusual reaction to the initial applications, consult a veterinarian before repeating application. Certain medications may interact with fipronil. Consult a veterinarian before using on medications, antibiotics, or other products known to be sensitive to pesticide products.

FIRST AID

IF SWALLOWED:
- Call a poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after 15 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact the Hotline number 1-888-900-TICK for human or veterinary health concerns, emergency medical treatment information or pesticide incidents.
**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not allow children to apply product. TO PREVENT HARM TO YOU AND YOUR DOG, READ ENTIRE LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY. FOR EXTERNAL USE ONLY. DO NOT USE ON CATS OR PETS. DO NOT USE ON OTHER ANIMALS.

- **DO NOT USE ON CATS.**

- **FOR EXTERNAL USE ON DOGS AND PUPPIES ONLY.** Do not use on dogs and puppies under 8 weeks of age. Do not split tubes between dogs. Do not use multiple tubes on one dog. If your dog is in the habit of rubbing or scratching, apply the tube directly to the area of concern. If your dog becomes itchy or sensitive to the product, discontinue use and consult your veterinarian.

- **APPLICATION DIRECTIONS**

  1. Remove one applicator from packaging. Hold applicator upright and remove cap.
  2. Insert cap and place other end back onto applicator. Push Cap down to break seal.
  3. Part dog's hair until skin is visible. Place applicator directly against exposed skin.
  4. For small dogs and puppies weighing 11 to 22.8 lbs: Dispense 1 small dots at each of the 4 spots as shown in diagram A.
  5. For medium dogs 23 to 44.9 lbs or large dogs 45 to 88.8 lbs: Apply 1 product every 2 to 3 months, starting between the shoulder blades and continuing on to the second and third dorsal spots as shown in diagram B.
  6. For extra large dogs 89 to 132 lbs: Apply 1 product every 3 months on the dog's back, starting between the shoulder blades and continuing on to the second, third, and fourth dorsal spots as shown in diagram C.

- **FREQUENCY OF APPLICATION**

  Fleas, ticks, and chewing lice can be controlled with weekly applications of FiproGuard™ Advanced Topical Solution for Dogs. Lice, fleas, and ear mites are controlled by FiproGuard™ Advanced Topical Solution for Dogs.

- **STORAGE AND DISPOSAL**

  Do not contaminate water, food, or feed by storage and disposal.

- **POSTCARE/CONTAINER DISPOSAL:** Shake well before using. Do not clean or fill container. Do not reuse or refill. Do not use on pets for which this product is not recommended. Do not freeze or refrigerate. Do not use on pets that have been treated with a different pesticide within the past 30 days. Do not use on pets that have been treated with any other product within the past 10 days.

- **LIMITED WARRANTY AND DISCLAIMER**

  FiproGuard warrants this product only if it is used, stored, and handled in accordance with the label instructions. The buyer and user are solely responsible for all risks of use and handling of this product. In the event of any dispute, FiproGuard shall not be responsible for any damages arising from the use of this product. No other representations are made about the product.
