**PRECAUTIONARY STATEMENT**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breaking syrup seal. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating. Remove contaminated clothing and wash before reuse.

**PERSONAL PROTECTIVE EQUIPMENT**

Handwash must be long: 30-second wash with soap and water, and allow at least 20 seconds of handrubbing, OR use an alcohol-based handrub product approved for food contact surfaces.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge effluent containing this product into: (a) surface or subsurface waters in accordance with the regulations of the Environmental Protection Agency (EPA) or the state, (b) lakes, streams, or ditches, or (c) storm drains. Do not discharge effluent containing this product to sewage systems unless specifically permitted by the local sewage treatment plant operator. For guidance contact your State Water Board or Regional office of the EPA.

**STORAGE AND DISPOSAL**

Do not dispose of water, feed or feed by storage or disposal.

**STORAGE**

Store the original container in a cool, dry place.

**PESTICIDE DISPOSAL**

Pesticide wastes are toxic. Improper disposal of wastes may cause pollution of the environment. For further information contact your State Pesticides or Environmental Control Agency, or the Hazardous Waste Department at the nearest U.S. EPA regional office for guidance.

**CONTAINER DISPOSAL**

Nonrefillable container. Do not reuse or resell this container. Triple rinse container promptly after emptying. Reuse or refill as follows:

For containers: 3-5 gallons (11.4 liters): Empty the remaining contents into application equipment or mix with soil and disk for 10 days after the following the instructions below. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour into application equipment or mix with soil and disk for 10 days after the following the instructions below. Repeat this procedure two more times.

For containers: 30 gallons (114 liters): Empty the remaining contents into application equipment or mix with soil. Fill the container 1/4 full with water. Replace and tighten closures. Store open containers so that all residue is removed. Contents to be used in 30 days. If residue is removed, contents to be used in 30 days. If residue is removed, contents to be used in 30 days.

**NOTICE OF WARRANTY**

Janssen PMP, a division of Janssen Pharmaceutical NV, warrants that this product conforms to the essential description on the label and is reasonably fit for the purposes stated on that label only when used in accordance with the instructions thereon and under conditions of use prescribed by the manufacturer. If a product is claimed to be defective, such as a lack of packaging or conformance, the manufacturer will be responsible for the cost of repair, replacement, or refund. If the product is found to be defective, the manufacturer will not be responsible for any incidental or consequential damages, or for any injury to persons or property, whether caused by defects in the product or damage to the premises or equipment caused by failure of the product. In no event shall the manufacturer be liable for any incidental or consequential damages, or for any injury to persons or property, whether caused by defects in the product or damage to the premises or equipment caused by failure of the product.
