**BugMax® Spider & Scorpion Killer**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USE**

**GENERAL PRECAUTIONS AND RESTRICTIONS:**

For Indoor Residential Use Only

Do not use on a regular basis. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Do not use water based sprays in conduits, motor housing, junction boxes, switch boxes, or other electrical equipment. During any indoor surface application, do not allow dripping or run-off to occur. During any application to ceilings of a structure, cover surface below with plastic shielding or other material. Do not apply this product in any room being used as a living, eating, or sleeping area by the elderly or children when they are in the room. Do not exceed maximum application rate of 16 seconds of spraying per sq. ft. of surface. Remove pets and birds and cover Kill apparatus before spraying. Do not apply to humans, pets, plants, or contact food, dishes or utensils. Do not allow children or pets to contact treated surfaces until spray has dried.

For use in areas such as:

**Kills the following insects on contact:**

- Ants, Argentine Ants, Asian Lady Bird Beetles, Black Carpenter Ants, Carpet Beetles, Cockroaches (adults, nymphs), Crickets, Fire Ants, Fishing Ants, German Cockroaches, Palmetto Bugs, Pharaoh Ants, Red Harvester Ants, Scorpions, Silverfish, Sowbugs, Waterbugs (adults, nymphs).

For residual control of German cockroaches spray non-porous surfaces.Gemantlire application: Apply spray in small amounts directly into cracks and crevices. Pay special attention to areas such as behind baseboards, connection areas around pipes, plumbing, and other visible cracks and crevices. Spray these areas thoroughly; making certain that spray penetrates well. Spray at the rate of one linear foot per second. Contact as many insects as possible with this spray, in addition to thoroughly spraying all parts of the room suspected of harboring these pests. Pay special attention to harborage such as below sinks, behind and beneath stoves and refrigerators, around garbage cans and cabinets, along the outside of basements, doors, doors, frames and floors, around and on drain pipes and plumbing, behind bookcases, storage, and other cavity installation. Contacting insects with spray when possible can be effective.

**PRODUCT CODE:** EBMSS16

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Store in a cool, dry area. Keep container closed. Always store pesticides in the original container.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:**

- Do not puncture or incinerate. Non-refillable container. Do not reuse or refill this container.
- Call your local waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS**

**Hazard to Humans & Domestic Animals**

**CAUTION:** Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after exposure. Do not allow children or pets to contact treated surfaces until spray has dried.

**First Aid**

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

- If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.
- If in Eyes: Hold eye open and rinse slowly and gently with water for 15– 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not contaminate water when disposing of aerosol can, washer or rinse water. See Directions for Use for additional precautions and requirements. Do not apply directly to water.

**Chemical Hazards**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate containers. Keep out of reach of children.
