## Precautionary Statements
Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing.

### First Aid

**If in eyes:**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**If swallowed:**
- Call a poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

### Hot Line Number
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-422-9314 for emergency medical treatment information.

### Note to Physician
Contains petroleum distillate — vomiting may cause aspiration pneumonia.

### Environmental Hazards
This pesticide is extremely toxic to fish. Use with care when applying to areas adjacent to any body of water. Do not add directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

### Physical or Chemical Hazards
Do not use or store near heat or open flame.

### Personal Protective Equipment (PPE):
Chemical resistant gloves.

### Directions for Use:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### User Safety Requirements
Follow Manufacturer’s Instructions

### Application Instructions

### Application:
- Premises: In and around Horse, Beef, Dairy, Swine, Sheep and Poultry Premises, Animal Hospital Pens and Kennels and "outside" Meat Processing Premises
- Horse Flies, Stable Flies, Face Flies, Gnats, Mosquitoes, Black Flies, Flies, etc. Little House Flies, Flies in the control of cockroaches, ants, spiders and crickets.

### Target Pests
- Horse Flies, Stable Flies, Face Flies, Gnats, Mosquitoes, Black Flies, Flies, etc. Little House Flies, Flies in the control of cockroaches, ants, spiders and crickets.

### Ready-to-Use Spot Spray or Premise Spray:
Use undiluted in a mist sprayer. Apply directly to surface to leave a residual insecticidal coating, paying particular attention to areas where insects crawl or alight. One gallon will treat approximately 7,300 square feet.

### Note:
For Premise and Ready-To-Use Spray applications, repeat treatment as needed, but do not exceed 5 fl. oz. during any 14 day interval. For optimum insecticidal effectiveness against lice, a second treatment at 14 day intervals is recommended.

### Use Restrictions:
- Do not breathe vapors, or spray mist.
- When used in dairy barns or facilities: Close milk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking utensils before application. Wash teats of animal before milking.

### When Applying to Premises:
- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

All outdoor applications must be limited to spot or crack-and-crevice treatments only.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain or after application.

### Storage and Disposal:
- Do not contaminate water, food or feed by storage or disposal.
- Store: Keep container sealed when not in use. Do not store near food or feed.
- Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
- Container Disposal: Nonrefillable container. Do not reuse or refill this container. Tinkle rings container (or equivalent) promptly after emptying. Tinkle rings as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinse into application equipment or a mix tank or store in safe for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available.

### Limited Warranty and Limitation of Damages:
Bayer Healthcare LLC, Animal Health Division, warrants that this material conforms to the chemical description on the label. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BAYER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY, AND NO AGENT OF BAYER IS AUTHORIZED TO MAKE ANY OTHER WARRANTIES OR REPRESENTATIONS. THE獨特的writer must review the warranty statement to write a specific reference to this warranty. To the extent consistent with applicable law any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profits or values, etc.

### Conditions of Sale:
The directions on this label were determined through research to be appropriate for the correct use of this product. This product has been tested under different environmental conditions both indoors and outdoors similar to those that are ordinary and customary where the product is to be used. Insufficient control of pests or plant injury may result from the occurrence of extraordinary or unusual conditions, or from failure to follow label directions. In addition, failure to follow label directions may cause injury to animals, man, and damage to the environment. To the extent permitted by applicable law, Bayer offers, and the buyer accepts and uses, this product subject to the conditions that extraordinary or unusual environmental conditions, or failure to follow label directions are beyond the control of Bayer and are, therefore, the responsibility of the buyer.
