KEEP OUT OF REACH OF CHILDREN
DANGER

FIRST AID

If In Eyes
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for further treatment advice.

If on Skin
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Clothes - Call a poison control center or doctor for further treatment advice.

If Swallowed
- Call poison control center or doctor immediately for treatment advice.

If Inhaled
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

NOT LINE NUMBER

Here the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 911/977/7272, for emergency medical treatment information.

Precautionary Statements

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled or absorbed through the skin. Harmful when swallowed. Do not get in eyes, on clothing, or on skin. Do not breathe vapor or spray mist. Wear goggles, face shield, or splash glasses. Wash thoroughly with soap and water.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not use in or near fish-bearing streams or ponds. Do not use near surface water. Do not contaminate water, food, or feed by storage or disposal.

Insecticides are toxic to beneficial insects, fish, and other non-target species. Do not contaminate water, food, or feed by storage or disposal.

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Do not expose to extremes of temperature. If applicable, do not store more than four drums high. Containers should be disposed of in well-aerated areas. Leaking or damaged drums should be placed in overpack drums for disposal. Foam and spill absorbents should be stored in airtight, moisture-proof containers.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling or, if unidentifiable, prompt emergency actions. Place in a puncture-resistant, tamperproof, secondary container for disposal.
