ClariFly® Larvicide Concentrate 8% is a specially formulated granular material for use in cattle and horse feeds. It is approved for use in supplements, complete feeds, concentrates, premixes, hands feed, mineral supplements, blocks, and tubs. It may also be used in liquid feeds when suspension agents are used to maximize the positional stability of the other feed ingredients.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

Net Weight: 40 lbs (18.14 kg)

**Cattle Feed Mixing Directions - 0.10 mg/kg/day**

The following formula can be used when mixing cattle rations, including complete feeds, liquid feeds, supplements, premixes, supplements for hand feeding and mineral mixes.

<table>

**STORAGE AND DISPOSAL:**

- Do not contaminate water, food, or feed by storage or disposal. **PESTICIDE STORAGE:** Keep this product in its tightly closed original container in a cool, dry (preferably locked) area that is inaccessible to children and animals. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this pesticide may be disposed of on site or at an approved waste disposal facility. **CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. Completely empty bag into mixing equipment. Offer for recycling if available, then dispose of empty bag in a sanitary landfill or by other procedures approved by state and local authorities.

**CONDITIONS OF WARRANTY AND LIMITATION OF LIABILITY:**

Read the entire Directions for Use. Conditions of Warranties and Limitations of Liability before using this product. If items are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

**CONDITIONS:** The Directions for Use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, pests, or other materials, or the manner of use or application, all of which are beyond the control of Central Garden & Pet Company. All such risks shall be assumed by the user or buyer.

**DISCLAIMER OF WARRANTIES:** To the extent consistent with applicable law, Central Garden & Pet Company makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise. That extend beyond the statements made on this label. No agent of Central Garden & Pet Company is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Central Garden & Pet Company disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product.

**LIMITATIONS OF LIABILITY:** To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries, or damages resulting from the use or handling of this product; whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or at Central Garden & Pet Company’s election, the replacement of product. For information or in case of emergency, contact 1-800-347-8272.

For additional information on this pesticide product, call a poison control center or doctor immediately for treatment advice.

**STORAGE AND DISPOSAL:**

Do not contaminate water when disposing of equipment washwaters.

- **PERSONAL PROTECTIVE EQUIPMENT**
  - Mixers and other handlers must wear long-sleeved shirt and pants, shoes plus socks and chemical-resistant gloves.
  - If no such instructions for washables, use detergent and hot water.
  - Keep and wash PPE separately from other laundry.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to aquatic invertebrates. Do not contaminate water when disposing of equipment washwaters.

- **DIRECTIONS FOR USE**
  - It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
  - ClariFly® Larvicide Concentrate 8% prevents the development of fly larvae in the manure of treated cattle and horses. When fed to cattle and horses according to label directions, ClariFly® Larvicide Concentrate 8% prevents the emergence of house flies, stable flies, face flies, and sugar flies from the manure of treated cattle and horses. Start feeding early in the spring before flies begin to appear and continue feeding throughout the summer and into the fall until cold weather restricts fly activity in the spring before flies begin to appear and continue feeding throughout the summer.

**CAUTION**

Remove clothing immediately if pesticide gets inside on clean clothing.
